Welcome: Mitzi Collins
Discussion items:

1. Minutes from January 23 meeting moved to pass by Jeff Humphreys & seconded by Alison Van Orden.
2. Mitzi has finished the Mid-Year report. The administration has posted a hard copy for viewing in the office. Gary Ashton has posted it on the school website & Rene has put it in the weekly announcements.
3. It was reported by Mitzi that Todd McKee is working on the Spring Midyear Report as Todd was not present due to illness. It was suggested that he email a copy to the council for review to be approved at our next meeting.
4. After lengthy discussion and reviewing of all the proposals to be funded this year by the Council, the following actions were proposed by Mitzi, seconded by Dave Shelton, and approved unanimously by the council:
   - Pat Gertsner/Librarian: Funded; $16,000 for 20 computers for the Library Study Carrels and testing islands.
   - Nate Warner/Head Counselor: Funded; $2,775 for up to 75 scholarships for Low Income students to be able to take AP Exams. Dave Shelton will meet with Nate to help create an application for the students to apply for the scholarships.
   - Stephen Van Orden/German Teacher: Funded; $1400 in order to complete a set of 18 ITouches for his classroom.
   - Science Class Clickers: Funded; $8,400 for 3 sets of Clickers. 1 set for Dave Shelton, 1 set for John McIlmoil, and 1 set for the Library to be able to be checked out by other teachers. This was partially funded to use Dave & John as ‘pilot programs’ to see if the rest of the clickers will be funded by the Council next year.
   - Auditorium Sound System: Not funded. This proposal does not fall within the guidelines set for the Community Council by the Trustlands.
   - Parent Student Mediation Communication Class: Not Funded. This program falls outside the scope of the Community Council guidelines.
   - Jim Davis/Bridge English Teacher: This proposal was ‘postponed’ for decision until Alison Van Orden can get with Jim to discern specifics. Ford White is checking into the possibility that maybe Special Education IPADs already purchased could possibly be used here also.
   - A total of $15,637 was allocated for funding at this meeting.
5. Next Meeting: March 19th.
6. Members present:
   Carla Johnson        Randy Christiansen        Excused:
   Jeff Humphreys       Coreena White           Cheryl Bateman
