1. Welcome: Mitzi Collins

2. Dr. McKee went over the ACT results and the state testing changes. He showed us an example of the testing results that the parents will receive and how to interpret them. We discussed different ways in which to notify the parents and be able to explain the results to them. We also discussed the benefits for counselors and teachers. Plans were discussed for integrating the results in every level of the teaching process long term.

3. Dr. McKee reviewed the 2012-2013 Community Council Plan Review that was submitted to the state. We reviewed the goals, focusing on the goal of increasing the 11th grade students that are college and career ready as measured by the ACT test from 33% to 60% by the end of 2014-2015. It was motioned by Mitzi Collins to adopt the plan as presented by Dr. McKee. It was seconded by Dave Shelton, and was passed unanimously.

4. Randy Christiansen gave a report on Community Council guiding legislation. We reviewed the Compliance Checklist. We also discussed working on a plan for election procedure for next fall. Mitzi motioned to have Randy continue to be in charge of monitoring legislation on an ongoing basis for next year. Coreena White seconded the motion, and was passed unanimously.

5. Karla Johnson gave the report that there are no changes to the Treasurer’s Report and that all the funds have been spent.

6. Vance Checketts and Michelle Kafusi did not show for their potential visit.

7. Dave motioned that we cancel the last meeting of May 21, 2012 unless a need arises to call a meeting. Alison VanOrden seconded the motion and was passed unanimously.
