Dear Timpview Families,

Welcome back to another school year. I hope the year is off to a good start for you and your students. I believe we have had a tremendous start overall, and I am personally looking forward to a great year.

I am particularly excited about the implementation of our new “Timpview PRIDE” program. Perhaps you have seen our new black PRIDE T-shirts that were given to every student. These shirts reflect our emphasis on the many positive aspects of Timpview. We, as a school and community, should be proud of our students and their many achievements.

PRIDE for us, however, is more than a feeling of achievement. It is an acronym that represents the characteristics we value as a school, including Personal Responsibility, Respect, Integrity, Discipline, and Engagement. A committee of teachers and students worked last year to identify these characteristics and developed a plan to teach and reinforce these characteristics. Specifically, we want our students to reflect each characteristic by exhibiting certain behaviors, such as:

• **Personal Responsibility**—be on time, be prepared, and be on task.
• **Respect**—respect yourself, others, property, and school policies.
• **Integrity**—be honest, do your own work, and report acts of bullying.
• **Discipline**—be a friend, be helpful, and honor deadlines.
• **Engagement**—be a participant, and be physically and mentally present.

Throughout the year, we intend to explicitly teach these characteristics and positively reinforce student behaviors. As Timpview PRIDE becomes more ingrained in the culture of the school, I anticipate we will experience improved student behavior and attendance, greater student engagement, and a more positive school environment.

Timpview is an incredible school, and Timpview PRIDE will help us acknowledge our many great accomplishments as well as develop the characteristics that will enable our students to continue their success beyond high school. If you would like to learn more about our PRIDE efforts or ways you can support it, please don’t hesitate to contact me. Here’s to a great year.

Go T-Birds!

Nominate a Deserving ‘‘Serving Senior’’

Timpview PTA is sponsoring the Second Annual ‘‘Serving Seniors’’ Award. The award will be given to three Timpview students in their senior year who have demonstrated exceptional commitment to serving those around them. The goal of this award is to raise awareness of Timpview students who participate in school activities and volunteer to help their classmates, parents, family members, or community—often without being recognized for their efforts.

You can honor such a student by submitting a Serving Senior nomination. Students may also nominate themselves. Nominations are due in the counseling center by 3:00 P.M., Friday, 25 October. Nomination forms can be found on page 14 of this newsletter or in the counseling center.

Run As One 5K for the Clarks

This year marks the beginning of a new Timpview tradition: the student government is sponsoring an annual Run as One 5K to help an individual or family in the community. This year’s honorees are the Clark family. THS students Autumn and Annie Clark lost their parents, Steven and Susan, in an accident in May.

We invite all THS community members, along with their friends, families, and colleagues, to participate.

When: Saturday, 19 October
Registration begins at 7:00 A.M. Race begins at 8:00 A.M.

Where: Timpview west parking lot

Cost/Donation: $10 per participant / $5 per t-shirt (t-shirt optional)

Donations without—or in addition to—participating are also welcome. You may register prior to the race through one of the following links; however, all payment transactions will take place at Timpview on the day of the race:

- https://www.facebook.com/events/362769350521759/?ref=br_tf
- https://docs.google.com/forms/d/1Jjd0p8YQGEXw3-W_H4SisPoNg8SZihgDjF4o7ZBRbm34/viewform

All 5K revenues will go directly to the Clark family.
Monday Consultations

The purpose of early-out Mondays is to facilitate communication between teachers, students, and parents. Teachers are required to be in their rooms from 1:30 to 2:15 P.M. for student and parent consultations. We encourage parents and students to take advantage of this time.

Visitor Parking and School Access

For security reasons, the only school doors open to visitors during the day are the north doors leading to the Commons area. The “front” west doors are locked. Visitor parking slots are available in the north parking lot. Parking in unrestricted areas along Timpview Drive is also allowed. Parking along Quail Valley Drive is not allowed and may result in a ticket from Provo Police.

An Indispensable App

Provo City School District recently announced a new free app for download to your smart phone or tablet. The app provides parents with one-stop access to district, school, and student information, including:

- **Announcements**—important and urgent announcements/information about emergency responses (natural disasters, school lock-downs, etc.), snow days, early-out days, bus pickups, and more. Whenever the district or a school distributes an announcement, it will be sent to your device.
- **Student information**—grades, attendance notifications, school lunch account balances and payments, etc.
- **District and school information**—links to district and school calendars, directories, websites, and Facebook pages.

To download the app:

1) go to the App Store on your iPhone or Android device,
2) search “Provo School District,”
3) select the app and download,
4) agree to receive “push alerts.”

Board of Education News

The Provo Board of Education has spent the last year reviewing and updating existing policies, as well as developing new policies to address issues. The result is a comprehensive Online Policy Handbook accessible at [http://policies.provo.edu](http://policies.provo.edu).

Board President Michelle Kaufusi welcomes questions or comments. You can also receive board news and updates from her via email. Contact Michelle at michellek@provo.edu. National School Lunch Week — Join Us for Lunch

Timpview’s Child Nutrition Program is celebrating National School Lunch Week by inviting parents to join their students for lunch on Thursday, 17 October. The menu will include Angelica’s chicken fiesta salad with creamy tomatillo dressing, fresh streamed carrots, fresh fruit, cookie, and milk. School lunch costs $3.00 and is served from 12:05 to 12:48 P.M. Hope to see you there!

What Is Link Crew?

At Freshman Orientation on 21 August, all incoming ninth graders were introduced to the Link Crew. Link Crew is new to Timpview this year, but it is a nationally recognized program meant to ease the freshman transition into high school. Link Crew trains 11th- and 12th-grade students to be Link Crew leaders and mentors. Their aim is to help freshmen discover keys to academic success and positive social experiences in high school.

Studies show that if high school students have a positive experience their first year, their chance for success increases dramatically. You can learn more about Link Crew at http://www.boomerangproject.com/link/what-link-crew.

Club Week: 15–18 October

Involvement in school clubs can greatly enrich your student’s high school experience. During the week of 15–18 October, students can sign up for clubs in the Commons area during lunch. Students interested in starting a new club may fill out an application form, available in the office or through the link below. Club application forms are due by Wednesday, 9 October, at 2:15 P.M.: https://docs.google.com/document/d/1z5g7Gwi5svEic9OlmtFiF1lJrYHU8WdxxQsVCC6Me/edit?usp=sharing.

Welcome back, Timpview families! It’s great to be in a new school year. With the nip of cold in the morning air, we know we’re headed into fall. We look forward to a great school year ahead for students, parents, and teachers.

We held our first PTA meeting on 11 September. We had great attendance, discussed exciting ideas, and approved this year’s budget. One of the things I love about PTA meetings is hearing from Principal McKee and Michelle Kaufusi, our school board president. It helps me get the “big picture” of what is going on in our schools. Please join us at a future meeting! We meet on the second Wednesday of the month, at 1:00 P.M., in the main office conference room.

Our PTSA (Parent-Teacher-Student Association) met at 12:00 P.M. before our PTA meeting in the same room. Students were given lunch, elected officers, and made plans for the year. All students are welcome. This year they are donating a decorated tree to the Festival of Trees for the benefit of Primary Children’s Hospital. We’re so proud of our PTSA for taking on such a big, worthwhile project! (See page 7 for details.)

One of the great things our PTA does is show appreciation to teachers and students. Did you know that every month our teachers and staff get a token of appreciation from the PTA? In addition, they get remembered on their birthdays, and PTA provides two luncheons a year. We hope our teachers know how much we appreciate them and that we are on the same “team” as we try to help our students succeed.

We like to recognize our outstanding students as well as teachers. This fall we hope you will nominate an outstanding Serving Senior who you know has given outstanding service during their high school years—service to their community, school, or family. (See pages 2 and 14). This is a wonderful recognition for work that benefits us all. PTA sponsors a monthly recognition of hard-working students in their classes as well.

The PTA Reflections program also takes place in the fall. Students have a chance to “create” artwork, music, dance, literature, sculpture, film, and photography. This year’s theme is “Believe, Dream, Inspire.” Student entries have the unique opportunity to advance to competition at the district, region, state, and national levels. It is a fun way to add to a student’s portfolio for the future! (See page 6 for information.)

For those of you with junior and senior students, you can thank PTA members for the helpful and affordable ACT Prep class. We want our students to be able to do their best as they plan for their futures.

Please contact me if you have ideas for other PTA projects. I hope you have a wonderful Fall Break and come back rejuvenated for the wonderful things ahead.

Best wishes,

—Tricia Stoddard, PTA President 2013–14

Ride Your Bike to School Week was held 30 September–4 October. The PTA, along with Provo City and other schools, recognized our great students who rode their bikes to school—getting valuable exercise and helping our community cut pollution. A drawing of the names of students who rode their bikes was held each day for prizes. Congratulations to those who rode and those who won!

Reflections Believe, Dream, Inspire

The National PTA Reflections theme for 2013–14 is “Believe, Dream, Inspire.” Reflections is an opportunity for students across the country to reflect on the theme and create works of art in seven categories:

- 3-D • Literature • Dance choreography
- Musical composition • Film production
- Visual arts • Photography

Students can find more information and rules at www.utahpta.org. Click on “Reflections” to print out rules and entry forms. A few copies of the rules and entry forms can also be found in the main office.

The entry deadline for Timpview students is Wednesday, 6 November. Projects must be submitted in the main office by the end of that school day. Please make sure you fill out all paperwork correctly, adhere to all rules, and have parent signatures. Entering is free and open to all students. Students do not need to be enrolled in an art class to enter.

Students will first be judged at the local level, i.e., with other Timpview students. Winning projects will continue to the council level where more information will be given. For additional information, contact Lisa Olsen: 801-830-4402.

PTA Board 2013–14

This is a SHOUT OUT to all Timpview parents to encourage you to JOIN PTA!

PTA at Timpview is involved in many great programs that support our students. Less than 10 percent of Timpview families join the PTA. It is only $5.00 to join PTA, and you can join for your student, yourself, and your spouse. Even grandparents can join PTA! If you are in a position to do so, we also encourage you to make a donation to Timpview PTA. One hundred percent of any donation stays at the school where it is used to fund PTA activities, library functions, region sterling scholar hosting, the career fair, and other worthy programs.

- Thank you for your support of Timpview PTA!
PTSA Fundraiser Stomp

The PTSA is sponsoring an after-game Stomp on Wednesday, 9 October. All proceeds will support PTSA’s Festival of Trees Project to benefit Primary Children’s Hospital. The cost is $5 per person. It will be in the Timpview Commons immediately after the Lone Peak vs. Timpview football game. There will be a great DJ, so encourage your students to stick around Wednesday night and kick off Fall Break while supporting a great cause!

Mountain Bikers Wanted

Students—male and female—interested in competitive mountain bike riding are invited to join Provo United MTB Team. This year’s remaining races are

- **12 October**: Snowbasin (Ogden)
- **26 October**: Soldier Hollow (Midway)
- **9 November**: Moab

For more information, click on the team’s Facebook page: https://www.facebook.com/ProvoUnited. Or contact Coach Heather Goodwin-Nelson: mtbcoachgn@gmail.com.

PTSA & Festival of Trees

Community Donations Welcome

This year, the PTSA (Parent-Teacher-Student Association) has come up with a wonderful service project: the Festival of Trees. This annual fundraiser benefits children and families associated with Primary Children’s Hospital, raising money for children in need of medical treatment. Nobody ever gets turned away.

Each tree is decorated from head to toe in sparkling ornaments and glittering lights and is set up as a wonderful display to be auctioned off to raise money for this great cause. The theme of our tree is “Star Light, Star Bright.” We are simply decorating it with all different kinds of ornamental stars. The color scheme is **red**, **silver**, **lime green**, as well as **dark forest green**.

Our PTSA crew is working hard on fundraising and donations. If you are interested and would like to donate to this amazing cause, we would love it! Anything would be a wonderful addition to make our tree look spectacular.

Our amazing donors so far include:
- **Tai Pan Trading** in the University Mall, and

We are looking forward to helping Primary Children’s Hospital, and we would like all of you in the community to join us as well!

Thank you,

*Darryl Kaufusi*, PTSA Service Vice President
Congratulations, T-Birds!

Eins, Zwei, Drei Dry:
Contributing to Flood Relief in Germany

In June, 28 students and three teachers visited Timpview’s sister school, the Franiskaneum, in Provo’s sister city—Meissen, Germany. They stayed with host families for two weeks. During that time, Meissen experienced some of its worst flooding in recorded history. From May to early June, it rained nearly every day. Flooding resulted in property damage, power and internet outages, and a weeklong cancellation of school.

Timpview students happily helped with sandbagging where they could, and the host families and sister school did all they could to carry on with the exchange. Everyone was patient and flexible. In the end, the Timpview students had a positive, authentic experience interacting with their hosts while dealing with major flooding.

Timpview German students are now collecting money to send to flooding victims; Provo residents are encouraged to donate $1. (In addition to being Provo’s sister city, Meissen is the birthplace of one of Provo’s founding fathers, Karl G. Maeser.) Donations will be accepted at Timpview’s financial office or at the Timpview vs. Provo football game on Friday, 25 October. (Advisor—Stephen Van Orden)

He and his wife, Kristy, have four children. Mr. Bingham fills the vacancy left when Rene Cunningham became an assistant principal at Wasatch Elementary.

Look for an orange postcard that will be mailed home with your scheduled date and time. Please come prepared with post-high-school plans and your class requests for eleventh grade.

Road Trip: Visit a Campus
Visiting a college or university campus is a great way to see if the school “fits” your needs. Timpview will excuse an absence for one day for a senior student to visit a school campus. Pick up the pre-approval form from the attendance office and bring back something from the visit to show the attendance office that you attended.

Some campuses offer overnight opportunities, and all will offer day tours. Sign up early, as overnight space is limited. More detailed information is available on each school’s website.

Access the “Road Trip” booklet by clicking on the following link (or go to the Counseling-Register tab on Timpview’s website): http://www.timpview.provo.edu/wp-content/uploads/2013/09/Road-Trip-2013-14.pdf.

Scholarship Applications
Seniors, have you created your scholarship master application yet? Creating a master application will help you complete almost any scholarship application. For instructions, go to Timpview’s website, click on “Counseling-Register,” and then click “Scholarships” toward the bottom of the page. Or click on the following link: http://www.timpview.provo.edu/registration/scholarships/. (See more scholarship information on page 12.)
