A Message from Principal McKee

Dear Timpview Families,

This has been one of the more challenging messages for me to write, as I could focus on the many positive and uplifting things that our students are doing and accomplishing. I assure you there are many. The recent reports, however, of bullying and harassment at Timpview are disturbing and, on the surface, seemingly out of character for our community. Please don’t be mistaken. I am not so out of touch and naïve to suggest that bullying has never occurred at Timpview. Bullying is a problem at every school in every community. Our technology, on the other hand, has created an environment that is far more insidious and toxic.

Social media apps, such as Instagram, Twitter, and Snap Chat, allow our students to make demeaning, obscene, and false statements about one another without any immediate consequence. It is one thing to make a harsh comment to someone’s face; it is a totally different situation when one is able to make such comments through the veil of anonymity on social media. This is compounded by the fact that once these sort of comments are out on social media they take on a life of their own, allowing others to join in and add to the harassment.

In talking with some of our students to better understand why anyone would add their comments to a “#whorelist” or any other degrading comment online, it was revealing to me that the line between right and wrong has become horribly blurred for our students. Comments, such as “it’s a joke” and “[the victim] knows that I’m just kidding,” reveal a clear lack of empathy and understanding.

Everything that is put online lives forever for everyone to see. It cannot simply be taken back or unsaid, and to the young lady who is concerned about her reputation, I am sure such obscene and demeaning comments are no joke. I believe it is important to note that Utah is among the leaders in the country for teenage suicide, and bullying is often cited as a leading cause.

As a school, we have policies and procedures to hold accountable those who bully others, and we will hold students accountable. I worry, however, that policies and procedures are insufficient to address the underlying culture that allows really good students to be caught up in this very destructive behavior.

This past week we introduced a program called “Breaking Down the Walls” to begin the process of changing the culture. This program started with a school-wide assembly and was followed by a series of workshops that impacted more than 500 students and teachers. The objective of the program is to help students understand that each of us faces challenges in our lives and that we should be kinder and...
Principal’s Message, continued

more respectful of each other. The underlying premise is that it is more difficult to bully, harass, or hate one another if we better understand each other’s story. The overwhelming response from everyone who participated has been very positive, and I believe we are on the right path.

I ask for your support as we work to change the culture of our school to be far more accepting and respectful of each other and willing to engage each other in a positive way.

Please talk with your student about how he/she can contribute to our school, report any instance of bullying or harassment to the school’s administration, and be mindful of how your student may be using technology and social media. In the end, we can have a positive school environment that supports all students. I appreciate your support.

Go T-Birds!

Yearbooks

Senior Ads
If you are interested in placing a Senior Ad in the yearbook for your graduating senior, you can find pricing and submission information here or through the Timpview website directory under the Yearbook tab. The deadline for Senior Ad submissions is Friday, 17 January.

Sale Price Extended
Yearbooks are still on sale for the historic low price of $50 per book. Depending on sales, the price will return to $65 after Christmas or in the spring. Many students think they paid for a yearbook with their school fees in August, when in fact they didn’t. Check with the financial office, and if you haven’t purchased one yet, buy now to pay less.

Canned Food Drive: 11–22 November
Please give generously.

Foster Program Benefit Concert
Don’t miss the annual Foster Program Benefit Choir Concert, Monday, 25 November, 5:30 P.M., in the auditorium. The A Cappella Choir and Madrigal Singers will perform, along with selected solos and small ensembles. Over the years, Mr. Paul Larson and his choirs have raised untold thousands of dollars for children in the care of the Division of Child and Family Services. Come enjoy an evening of beautiful music and donate to a wonderful cause.

Sub for Santa Nominations
To nominate a family or individual for Sub for Santa, please click on and complete this form. Not all nominated families are guaranteed to be selected for the program, but Timpview students and organizations will try to help all nominated families in some way. Nominations are due by Friday, 6 December. If you would like to “adopt” a family/individual yourself, please contact Cassidy Baker. Donations, checks, coupons, gifts, and discounts are all appreciated and accepted; contact Ms. Baker at cassidyvb@provo.edu.
Run As One 5K

Thanks to all who participated in the first annual Run As One 5K on Saturday, 19 October. The event raised nearly $3,500 for the Clark family. Timpview students Annie and Autumn Clark, along with their four siblings, lost their parents, Steven and Susan, in an accident this spring.

Some 150 runners participated, cheered on by many in the Timpview community. Special props to the English faculty for dressing up as famous literary characters. The Clark family was grateful for all the support. Race T-shirts are wending their way to Clark family members around the country; they’ll be taking photos of themselves in their 5K shirts and sending those photos back to Timpview.

Thanks to Jaimie Ribera (Cross Country coach) and Cassidy Baker and the student council for organizing the race. Plans are to make this an annual event, benefiting a different individual/group in the community each year. Next year’s run will include a one-mile walk/run course as well.

Provo City School District News
Bond Open Houses in November

Provo City School District will be holding community open houses in November to discuss a proposed school reconstruction bond initiative. Community members are encouraged to attend.

- Wednesday, 13 November, 7:00–8:30 P.M., Rock Canyon Elementary School
- Thursday, 14 November, 6:00–7:30 P.M., Edgemont Elementary School
- Tuesday, 19 November, 6:00–7:30 P.M., Sunset View Elementary School
- Wednesday, 20 November, 7:00–8:30 P.M., Provost Elementary School
- Thursday, 21 November, 7:00–8:30 P.M., Dixon Middle School

The Provo Board of Education is responding to a Facility Advisory Committee recommendation of a bond amount not to exceed $90 million. (To see the committee’s recommendations, click here.) The Board is considering reconstruction of Dixon Middle School, Rock Canyon Elementary School, Edgemont Elementary School, Provost Elementary School, and Sunset View Elementary School.

Open houses will include a presentation, following which attendees can visit stations to learn about proposed projects, discuss ideas, and offer thoughts. For more information, contact Caleb Price: 801-374-4865.

A Veterans Day Tribute

Monday, 11 November, 9:45–11:00 A.M.
Timpview Thunderdome

Program will include
• remarks by Mayor John Curtis;
• performances by the Timpview band, madrigal choir, and ballroom dance team;
• veteran spotlights;
• and a keynote speech by Sterling Poulson.

Veterans and their families are invited to attend the post-assembly luncheon.

Community Council Votes to Fund Technology

In 2012–13, the Community Council allocated $52,000 of School Land Trust Funds to help meet Timpview’s technology needs. At the October meeting of the 2013–14 Community Council, members voted to allocate $55,000 of this year’s funds to technology.

Last year’s funds were used to purchase
• iPads and Apple TVs for all teachers in the language department. These allow teachers to control projector screens from the iPad and teach remotely, allowing more mobility in the classroom.
• iPad Minis and Apple TVs for all math teachers, which also facilitate mobility in the classroom.
• 20 iPads for the English department to supplement an existing lab of 20 iPads. These are being used daily by students.
• Nearly 30 laptops for teachers (in addition to the 20 Timpview later purchased with school funds). Most teachers had been working with poorly functioning, inefficient six- to seven-year-old laptops.

This year’s technology funds will go toward purchasing four Chromebook mobile labs, each consisting of 42 Chromebooks. These labs will move throughout the school as teachers reserve them for student use. Currently there are 2,266 Timpview students who share 164 available computers. These new mobile labs will help alleviate the backlog of computer requests for testing and classroom use.

The Community Council is comprised of Timpview faculty and parents who are tasked with
1) developing a school improvement plan,
2) developing a plan to allocate State Trust Lands Funds, and
3) assisting in the development and implementation of a staff professional development plan.

Timpview’s 2013–14 Community Council includes:
• School Members—Todd McKee, Brian Mangum, Cynthia Carter, Nate Warner, and Genet Orme
• Parent Members—Lisa Jensen, Eleanor McBride, Amy Andrus, Rhonda Wall, Herb Stoddard, and Mitzi Collins
• School Board Representative—Marsha Judkins
• PTA President—Tricia Stoddard
• Administrative Secretary—Michelle Williams

Community Council meetings are open to all Timpview community members. Meetings in 2013–14 will be held on 26 November, 28 January, 25 February, 25 March, and 22 April. All meetings are held in the main office conference room at 2:30 P.M.
PTA President’s Message

As we look forward to Thanksgiving, there are so many thanks to be given out from the PTA! We live in a wonderful community where so many willingly give of their time and energy to help others. Thank you to all the parents, faculty, and staff for making our school a great place to be.

Thanks to those who nominated our PTA Serving Seniors for the 2013–14 school year. They will be announced at the Veterans’ Assembly. Thanks also to those who have worked behind the scenes to make our great Veterans’ Assembly possible. A very sincere and special “thank you” to all the military veterans in our community who have protected our nation and the freedoms we enjoy.

This month’s PTA activities have included the teacher appreciation lunch and the Reflections program. The PTSA student group has also been busy with a project—preparing to donate a tree to the Festival of the Trees. Please look for their beautiful “Star Light, Star Bright”–themed tree if you attend the festival, 4–7 December at the South Towne Expo Center.

Thank you again, one and all! Hope to see you at our PTA meetings on 13 November and 8 January.

–Tricia Stoddard, PTA President 2013–14
Email rilliquilt@aol.com

Did You Know . . .

. . . that less than 10 percent of Timpview families join the PTA? Membership is just $5.00, and you can join for your student, yourself, and your spouse. Even grandparents can join PTA!

If you are in a position to do so, we also encourage you to make a donation to Timpview PTA. One hundred percent of any donation stays at the school where it is used to fund PTA activities (teacher appreciation, Reflections, student and teacher recognitions, etc.), library functions, hosting of regional Sterling Scholar competition, the Career Fair, and other worthy programs.

Please take a moment and join today. Dues and donations are payable at the financial office window.

Thank you for your support of Timpview PTA!

Reflections

Thank you to all who entered this year’s Reflection contest, based on the theme “Believe, Dream, Inspire.” Winners, many of whom will continue on to council-level competition, will be listed in next month’s T-Bird Times.

Festival of Trees

The PTSA student organization is still accepting donations for their Festival of Trees entry. The students have been busy planning and designing their “Star Light, Star Bright” tree. Donations are payable at the financial office.
Faculty News
The Timpview World Languages Department has some exciting news to report. Over the summer, Anna Pauling-Allred had a baby. She missed the first two months of school to stay home with her baby while Jaimie Ribera taught her ASL classes. After Fall Break, Anna returned back to the classroom to continue leading her outstanding ASL program.

We also have two new Spanish teachers. Clay Bingham was hired as a new assistant principal at Timpview, and Kirk Skyles retired. They were replaced by Terry Szink and Carl Gutke. Our two new Spanish teachers are doing a fantastic job and are reinvigorating our Timpview Spanish program. We anticipate great things from them in the future.

Exchange Opportunities
Over the last six months, students in the World Languages Department have had some outstanding opportunities to participate in authentic language and cultural exchanges. In June, 28 Timpview German students visited our sister school in Meissen. They stayed with host families for two weeks and visited Berlin for another week. While the Timpview students were in Meissen, the city experienced extreme flooding. Our Timpview students helped with sandbagging and in any way they could.

In October, the Timpview German classes hosted 27 students and three teachers from our Meissen sister school. Thirty-eight Timpview families served as host families. In correlation with the exchange, Timpview German students were able to raise $1,300 dollars that they sent back with their German guests to help rebuild Meissen after the flooding.

In July, 23 Timpview Japanese students visited Tokyo and Nagano for ten days in affiliation with the Kakehashi Project. The goal of the Kakehashi Project is to build relationships between Japan and America so that more Americans will want to live and work in Japan. During a home stay in Nagano (a city very similar to Provo, in the Japanese mountains), students were able to experience authentic traditional and modern Japanese culture. Experiences like these make the language-learning process come alive for our Timpview students.

Program Overview
The Timpview World Languages Department offers outstanding instruction in six languages: ASL, Chinese, French, German, Japanese, and Spanish. We have full scope-and-sequence programs in all languages but Chinese, and we are committed to building a full Chinese program. At Timpview, 65 percent of students enroll in a second-language class each year. This is far above the state average of 45 percent. Our world language teachers all have superior target-language skills and methodological preparation. They are considered leaders in the Utah world-language-teaching community, and Timpview is always among the best schools for language instruction in the state.

World Languages continued on next page …
We encourage all Timpview students to register for the language of their choice in ninth grade. This gives students the opportunity to take a language for all four years of high school and thereby achieve the highest language-proficiency levels possible in high school.

—Stephen Van Orden, Timpview German Teacher, Provo City School District Secondary World Language Specialist

Congratulations, T-Birds!

Tennis: State Champs
The Girls’ Tennis team claimed the State 4A championship in October. They were led by sophomore Kate Cusick, who won the first-singles state title. Strong performances by the rest of the team helped Timpview beat Olympus by one point and earn their first state championship since 2001. Timpview team members who advanced to semifinal matches included Kali Cravens and Emily Christensen (first doubles), and Jenny Farnsworth (second singles). (Coach—Michelle Landers)

Golf: State Champs
In a too-close-to-call tournament, the Boys’ Golf Team won the State 4A championship in October. Timpview started the second day of competition in fourth place, but steady, composed play allowed them to inch past the competition. The team’s balanced performance resulted in one player in the top ten (Josh Lillywhite), four in the top 20, and all six in the top 36. Team members include Garrett Darling, Cade Dickinson, John Lillywhite, Josh Lillywhite, Spencer Lillywhite, and Jackson Rawle. (Coach—Jeff Ward)

Volleyball: Region Champs
The Girls’ Volleyball team won the Region 8 championship, earning a region record of 11-0 and not dropping a single set along the way.

In state tournament play they defeated Timpanogos in the first round (3-0) and moved on to defeat Judge Memorial in the next (3-0). They will play Mountain Crest in the semifinal round on Saturday, 9 November, 12:30 P.M. at the UCCU Center at UVU. The title match will follow at 5:30 P.M. Go cheer them on! (Coach—Kristen Bailey)

Football: Region Champs
The football team won the Region 8 championship, beating Wasatch 35-0 on 18 October. The win brought Timpview’s record to 6-0 in region play, 9-1 overall. After their loss to Pleasant Grove in week two of the season, the T-Birds won nine consecutive games by an average of nearly 35 points. They beat Timpanogos in the first round of the State 4A playoffs, 62-14. Timpview will next host Sky View in the quarterfinals, on Friday, 8 November, 3:30 P.M. Semifinal (14 November) and championship (22 November) games will be at Rice-Eccles stadium. (Coach—Cary Whittingham)
Model United Nations

The Model United Nations Club represented three countries at the Model UN conference held at BYU in October.

The team representing the Republic of Korea received one of three Outstanding Team awards (equal to a first place). The team representing Canada received one of eight Honorable Mention awards (third place).

The following also received individual delegation awards:

- **Ed Ringger** and **Benji Cardon**—Outstanding
- **Alec Larson** and **Alyssa Smith**—Outstanding
- **Yunju Lee** and **Amanda Gao**—Outstanding
- **Peter Young** and **Samantha Jensen**—Outstanding
- **Emma Tueller-Stone** and **Anna-Marie Sprenger**—Outstanding and Best Position Paper
- **Rachel Sybrowsky** and **Nathan McQuarrie**—Outstanding and Best Position Paper

(Advisor—Shauna Palmer)

Model European Union

Timpview’s first-ever Model European Union (MEU) team represented Slovenia and Austria in an MEU Conference held at BYU in October. They competed with other student teams from Utah and Nevada. **Caitlin Ballantyne** and **Amanda Ius** represented Slovenia, while **Nick Malyshekovich** and **Melissa Berman** represented Austria. Both teams performed very well; the Slovenia team received an award for Best Position Paper out of the 28 teams participating.

(Advisor—Nathalie LeBras)

FBLA

Timpview FBLA competed at the North Sanpete FBLA Invitational on 25 October and earned ten first-place awards. Congratulations to the following students:

- **Eric Brown**—first place in Computer Applications, Database Design, Network Concepts, and Network Design
- **Jennifer Lee**—first place in Business Procedures and Job Interview
- **Justin Bob Kwong**—first place in Future Business Leader and Hospitality Management team; second place in Principles of Media and Marketing team
- **Hunter Evans**—first place in Economics; second place in Marketing team; third place in Sports Management
- **Daniel Simmonds**—first place in Spreadsheet Applications and Hospitality Management team

(Advisor—Jan Jardine)

Athletes of the Month

**August**

- **Cade Dickinson** (Boys’ Golf): Cade led the team with a 73 stroke average. The team went on to win the State 4A championship.
- **Emily Christensen** (Girls’ Tennis): Emily is an amazing team captain. She is the first to arrive and the last to leave and always encourages her teammates. The team won the State 4A championship.

**September**

- **Lindsee Moffat** (Girls’ Soccer): Lindsee was the leader in scoring, assists, and minutes played. The team finished second in Region 8.
- **Collin Anderson** (Boys’ Cross Country): Collin, a freshman, was Timpview’s first varsity runner to cross the finish line at the Wasatch Invitational. He is very dedicated and works hard.
- **McKenna Neyman** (Girls’ Cross Country): McKenna scored in a majority of the meets this season, including region and state. She is a great teammate and shows up everyday to train hard.

*Congratulations to all our fall athletes and teams, and good luck to all those still competing!*

We want to publish the good things Timpview students and faculty are doing.

If you know of a student, class, or faculty activity/achievement that deserves to be highlighted, please submit the information to Amy Andrus: ames@tinypineapple.com.

College Application Deadlines

Request transcripts soon

Seniors, it’s time to apply for college! If possible, you should apply by the school’s priority deadline. You may have a better chance of being accepted, and many schools’ priority deadlines are also their final scholarship deadlines.

Be sure to send a Timpview transcript. You will need to fill out a request form in the counseling office. The deadline to request a transcript for the 1 December college deadlines is 22 November. If you order a transcript after this date, you will need to hand-deliver it to your school of choice.

December ACT

Seniors—This may be your last chance

The December ACT test may be the last ACT that will be considered for 2014 college applications. Seniors, if you are trying for a higher ACT score, sign up!

- Test date .................. 14 December
- Time ....................... 7:30–11:30ish A.M.
- Location .................. Timpview
- Registration deadline .... 8 November
- Late-fee registration .... 9–22 November

Go to http://www.actstudent.org for more information.

Sophomores

The counseling office will soon begin meeting with each tenth grader to conduct his or her individual College and Career Readiness (CCR) parent/student meeting. Look for an orange postcard that will be mailed home with your scheduled date and time. Please come prepared with post-high-school plans and your class requests for eleventh grade.

Road Trip: Visit a Campus

Visiting a college or university campus is a great way to see if the school “fits” your needs. Timpview will excuse an absence for one day for a senior student to visit a school campus. Pick up the pre-approval form from the attendance office, and bring back something from the visit to show the attendance office that you attended.

Some campuses offer overnight opportunities, and all will offer day tours. Sign up early, as overnight space is limited. More detailed information is available on each school’s website.

Access the “Road Trip” booklet here (or go to the Counseling-Register tab on Timpview’s website).

Scholarship Applications

Seniors, creating a master application will help you complete almost any scholarship application. For instructions, click on this link. Or go to Timpview’s website, click on “Counseling-Register,” and then click “Scholarships” toward the bottom of the page. (See more scholarship information on page 8.)
College Tours

Timpview counseling has space available on the following college tours. Juniors and seniors can sign up in the counseling office.

**Utah State University**
Now taking two buses to accommodate 100 students
Thursday, 14 November, 7:30 A.M.–3:15 P.M. (even day)
Pay $6 in financial office for the all-you-can-eat buffet offered at USU*

**Utah Valley University**
Thursday, 23 January, 9:00–11:30 A.M. (even day)

**Snow College**
Wednesday, 19 February, 8:30 A.M.–2:15 P.M. (even day)
Bring your own lunch or lunch money

**Mountainland Applied Technology College (MATC)**
Thursday, 13 March, 8:30 A.M.–12:00 P.M. (odd day)

• You may join us on two tours. Please rank the tours you are interested in attending, in order of preference, on your Parent Permission form. We will do our best to give you your top two choices.
• We will “extracurricular” your absence.
• Students must be in good academic standing to attend the college tour.
• Sign up quickly! We can take the first 50 students (100 students to USU)—first come, first served.
• All campus visits will include a walking tour. Wear comfortable shoes, and dress for the weather.
• Bring completed Parent Permission forms into the counseling/career center ASAP to reserve your spot.
  The Parent Permission form is available [here](#).
• When tours extend into the lunch hour, we will eat on campus.
  - Bring your own lunch money to Snow; food choices starting at $5 will be available.
  * Utah State is giving us a reduced rate, but we need to prepay; students must pay for their [USU $6 all-you-can-eat buffet lunch in the financial office by Monday, 11 November.](#) (If this is a financial burden, please visit with Nate Warner or Colette Davis in the counseling/career center.)
