A Message from Principal McKee

Dear Timpview Families,

As we enter the holiday season, we have much to be grateful for here at Timpview. To begin, our students are finding success at every turn. In athletics this fall, six of our seven teams made their way to the state playoffs, and four of these six teams earned state championships, setting a new state record. Our kids are competing hard, performing well, and playing by the rules with integrity.

In academics, our students have been equally successful. Our 10 National Merit semifinalists this year comprise the third-highest total for a school in the state. On the standardized exams that matter the most, such as the ACT, we continue as a school to well exceed state averages, and for the fourth year in a row, we have at least one student who has earned a perfect score on the exam. Even more importantly, over 85 percent of our students are moving on to college each year where their cumulative grade point average after the first semester is a 3.05.

Finally, our students are providing meaningful and generous service to those in need. When a Timpview family recently lost both parents in a tragic accident, our students and community stepped in and raised more than $3,000 for the family. When the local Food Bank was in need of donations this fall, our students collected more than 1,600 pounds of food. Now, as we begin our annual Sub for Santa fundraiser, we are well on our way to reaching our goal of $25,000 to support local families in need.

All of our indicators suggest that Timpview PRIDE is alive and well, and it’s definitely a good time to be a T-Bird!

The month of December is not only a time for reflection and gratitude; it is also an important month for our students who are looking ahead to college. December 1st was the deadline for our seniors to submit applications to colleges for early consideration for admissions. Given that most colleges prefer

Timpview is conducting its annual Sub for Santa program for local families in need of assistance this Christmas. (The deadline for nominating families or individuals for help is Friday, 6 December. Click here for more information.)

Timpview students have conducted this program for 10 years and have helped some 700 families and 2,000 children enjoy a happy Christmas by providing them gifts through donations.

How to be involved:
• Donate money.
• Donate goods (gift cards, merchandise, coupons, etc.).
• Adopt a family (or as many families as you would like).

We are accepting monetary and merchandise donations from individuals, families, and local businesses. This year we plan to raise $25,000. This money will help not only families living within the Timpview boundaries, but also families in the surrounding Provo and Orem area. Your contribution will directly benefit children and families in genuine need. The money we receive is directly allocated to purchasing gifts. No money goes to an umbrella organization or toward overhead. You can write off your contribution to Timpview as a charitable donation. Your money will go directly to providing a Christmas to children who would not have one otherwise.

To donate, contact student government advisor Cassidy Baker at cassidyb@provo.edu, or drop off donations in the financial office.

Sub for Santa Calendar

Throughout December
• Hot chocolate ($1.50), muffins (50¢), and candy canes (25¢) for sale every even day.
• Class collection competition: Students can bring money to their second period class to help their teachers win the class competition.
• Year competition: Students can donate extra change at lunch to help their year (freshman, sophomore, junior, senior) win the year competition.

this early application date, our seniors have been working diligently to gather letters of recommendation from teachers and counselors and putting the final touches on their personal essays. For our seniors who have missed this deadline, all is not lost. Some colleges that have open enrollment, such Utah Valley University, will accept applications into next summer, and almost all colleges have later deadlines for admissions to winter semester.

This month is also important for our juniors. If they have not already done so, they should be making plans to visit their top choices for college. Spring Break is a great time to visit college campuses, particularly if college classes are still in session. Juniors should also be making preparations to take the ACT exam. While the exam typically has a fee, Timpview provides the exam at no cost to our students in March. Finally, there are thousands of scholarship opportunities from across the country that are open to our students. Hopefully, students are doing their research and identifying the top dozen or so scholarships for application.

December is a great month, and it’s an important month for our students. I wish everyone a terrific holiday season and all the best into the New Year.

Go T-Birds!

“ESL” continued from page 10 . . .

Timpview’s ESL students enjoy the opportunity to be immersed in American culture and the English language by visiting popular tourist sites, celebrating American holidays, and experiencing the four seasons. They also appreciate an educational system that encourages students to be well-rounded by not only excelling academically but also being involved in extracurricular activities—school clubs, the performing arts, visual and industrial arts, sports, pep rallies, dances, assemblies, etc.

They are grateful to students who seek to befriend them and make them feel welcome, as well as teachers who take the time to get to know them and offer them support. Most of our foreign exchange students break down in tears at the close of their Timpview experience after forming lifelong friendships with host families, students, and faculty. Many comment that, out of all the places they have been in the United States, the Timpview community is their favorite. There is just something different about being here that will always hold a special place in their hearts.

A huge Thank You to the amazing Timpview students, parents, faculty, staff, and administration for your efforts to support and make our ESL students and their families feel a part of our Timpview family and community.

- Nathalie LeBras, ESL/Social Studies Teacher
Congratulations, T-Birds!

Football: State Champs
Timpview beat East 33-28 at Rice Eccles Stadium to claim its second state 4A championship in a row on 22 November. The T-Birds kept their composure after a slow start that resulted in a 13-0 deficit at the end of the first quarter. They came back to score 21 in the second quarter but were still down 25-21 at the half. Timpview’s top-ranked defense dominated in the second half, holding East to just three points. To read and see more, including game highlights and interview videos, click on the Deseret News article here. (Coach—Cary Whittingham)

When he played receiver on last year’s team, Britain Covey became the third Covey brother to win a state football title (along with siblings Stephen and Christian). After leading this year’s team to the championship as quarterback, Britain was chosen as the Deseret News and KUTV Prep Athlete of the Week. See the KUTV video honoring and interviewing Britain here; read the Deseret News article here.

Volleyball: State Champs
On 9 November, the Girls’ Volleyball team claimed its second state 4A championship in three years, defeating Sky View 25-22, 25-13, 25-16. They ended their season 31-3, not dropping a single set in region play or the state tournament. Click here to see the Deseret News article on the team’s state tournament win, photos, and coach and player interview videos. (Coach: Kristen Bailey)

Did You Know . . .
★ Timpview has set a new state record by winning four state championships in a single season? (Girls’Tennis, Girls’Volleyball, Golf, Football)
★ Timpview is only the sixth school in state history to win 10 state football championships?
New Online Driver Education

A new online Driver Education course is now available:

- The price for the online course is $140, payable at the business office.
- Students will have 10 weeks to complete the course or pay an additional $75 for a five-week extension.
- Students must have a valid learner’s permit to be admitted to the course.

If interested, students should complete this form to register. They will receive an email invitation (from Instructure Canvas: Course Invitation) with a link to the course within 24 hours of submitting the online form. If students already have a Canvas account with Electronic High School, their login will not work with this course. They will need to create a new account for the Driver Education course.

The Driver Education link, found in the right-hand menu of the Timpview homepage, provides a complete rundown of the Driver Education program, including the online course. Contact Gary Ashton with any questions, or if a student completes the online form and does not receive a response: garya@provo.edu; 801-358-9867.

Drafting Classes

Timpview is offering two new drafting classes next semester. Students interested in learning more about this exciting new program should contact their school counselor ASAP. The new courses will focus on architectural and technical design.

★ Veterans Day Assembly

Thanks to community members, teachers, and students who attended Timpview’s Veterans Day Tribute. Thanks also to the students and advisors who performed and worked hard to organize the event. The veterans who attended were impressed with the Timpview student body and the assembly’s dignified, respectful atmosphere. KSL included the Timpview tribute in a story about Veterans Day events throughout the state. You can access the story here.

November’s canned food drive resulted in 1,692 pounds of food sent to the Food Bank.
-Thanks to all who donated!

Foster Program Benefit

Timpview’s 26th annual Foster Program Benefit Choir Concert took place on 25 November. The A Cappella Choir and Madrigal Singers performed, along with selected solos and small ensembles. Attendees were invited to sponsor a specific foster child’s Christmas or to contribute money toward Christmas gifts for children in the care of the Division of Child and Family Services. Contributions will also be collected at the Timpview Choral Concert on 12 December, 7:30 P.M. If you would like to sponsor a child or would like more information, contact Paul Larson: 801-221-9720.

Yearbooks

Senior Ads
If you are interested in placing a Senior Ad in the yearbook for your graduating senior, you can find pricing and submission information here or through the Timpview website directory under the Yearbook tab. The deadline for Senior Ad submissions is Friday, 17 January.

Sale Price Extended
Yearbooks are still on sale for the historic low price of $50 per book. Depending on sales, the price will return to $65 after Christmas or in the spring. Many students think they paid for a yearbook with their school fees in August, when in fact they didn’t. Check with the financial office, and if you haven’t purchased one yet, buy now to pay less.
PTA President’s Message

Hello Timpview families!

I hope you had a wonderful Thanksgiving break! A few weeks of school and we are on to Christmas. I am so grateful for the wonderful spirit of service and love that is evident at Timpview. Even with all the time and effort their school work requires, our students are making time to work for worthwhile charities during the holidays.

One of these charitable efforts has been undertaken by the PTSA (Parent Teacher Student Association)—the PTA’s student-led affiliate. The students decided early in the year to donate a decorated Christmas tree to the Festival of Trees. Proceeds from tree sales goes to Primary Children’s Medical Center (PCMC). Daryl Kaufusi did a wonderful job as chair of the project. The theme of the tree was “Star Light, Star Bright.”

Our tree was dedicated to Timpview student Kollin Galland who was treated at PCMC following his accident that resulted in a neck fracture and paralysis. Nine students spent the day decorating the nine-foot tree with red, green, silver, and lime ornaments. Donors included Tai Pan Trading Company and Kurt and Becky Knudsen (proprietors of the Etsy shop Piggy&Dirt), who made a stained glass star for the top. Many of our PTA members worked on a beautiful quilted tree skirt featuring more stars! Our tree must have been popular as it sold very quickly on the auction night.

The Festival is at the South Towne Expo Center in Sandy through 7 December, and all the trees will be on display through the end. Our tree is at Q-17 if you have a chance to see it. (More information is available at www.festivaloftreesutah.org.) Many, many thanks to all who worked on the tree or donated to it!

We will not have a PTA meeting in December. I look forward to seeing you again in January. Wishing you all a wonderful, blessed, and peaceful Christmas season!

—Tricia Stoddard, PTA President 2013–14

Reflections

Timpview Winners Announced

“Believe, Dream, Inspire” was the theme of this year’s Reflections contest. The following students won awards in the given categories:

Photography
• Award of Excellence—Tanner Albertson, Andrew James, Skylar Jensen, Kayla Pattberg, Conner Alger
• Award of Merit—Joshua Palmer, Kimber Pattberg

3-D
• Award of Excellence—Tanner Albertson

Visual Arts
• Award of Excellence—Daniel Saguibo, Patricia Gao

Music Composition
• Award of Excellence—Skylar Jensen

Literature
• Award of Excellence—Jessica Holcombe, Skylar Jensen, Patricia Gao

These students were honored at a lunch in the conference room on 4 December, where they received their awards. All students who received an Award of Excellence move on to the council level for judging. The council awards night will be held in the Centennial Middle School auditorium, Tuesday, 10 December, at 7:00 P.M. This is a great opportunity to see displays of student creativity from throughout the Provo District. Families are invited to attend, and it is free. Projects not going on to the next level can be pick up that evening.

Thank you to all who entered, those who judged the students’ work, and all who helped with Reflections this year. We look forward to seeing many entries next year! The 2014–15 theme will be “The World Would Be a Better Place If . . . .” Because the entry deadline comes so early in the school year, we encourage students to start thinking now and spend their summer creating. For more information, go to www.utahpta.org/reflections.
Serving Seniors Award Recipients

Last year the Timpview PTA created the Serving Seniors Award to recognize Timpview students who have given exceptional service to home, community, and school. We are pleased to announce this year’s recipients of the Serving Seniors Award, which includes a certificate of recognition as well as a $100 cash award.

- **Lauren Ashley Sommerfeld** has been involved with crocheting hats for newborns at Primary Children’s Medical Center; serving the occupants of Ridgeview Gardens, a home for the elderly, by visiting and making Christmas ornaments with the seniors there; and providing free child care for single mothers in her area so they have an opportunity for a night out.

- **Amanda Gao** has volunteered since eighth grade as a math coach and has been a volunteer teaching assistant at Spring Creek Elementary. She also adopted the Provo River trail, which she cleans twice each month. These are just a few of the many activities that demonstrate Amanda’s commitment to serving others.

- **Luke Sagers** is an outstanding young man who, among his many other acts of service, has taken a particular interest in the Food and Care Coalition in Provo. He created carnival games for the coalition’s fall celebration to give children who are facing hardships an opportunity to have fun. He is also a willing tutor to students who are struggling.

Thank you to the individuals who took time to nominate deserving students. This is an annual award that will be presented each fall at the Veterans Day Assembly. We invite you to notice and nominate deserving seniors who show a commitment to serving their home, community, and school.

PTA Excellent Student Awards

Congratulations to the following students who were nominated by their teachers to receive this month’s PTA Excellent Student Awards:

**Nominated by Wendy Nichol**
- ★ Spencer Wilson
- ★ Dalilah Carrillo
- ★ Kajsa McKay

**Nominated by Kasey Hammer**
- ★ Savanna Scott
- ★ Pablo Dos Santos

**Nominated by Holly Bowers**
- ★ Colton Murray
- ★ Megan Howard

**Nominated by Pat Erickson**
- ★ Chris Wilkinson

Join PTA today for just **$5.00**. If you are in a position to do so, we also encourage you to make a donation to Timpview PTA. While only **10 percent of dues money** stays at Timpview, **100 percent of donations** stays at the school where it funds PTA activities (teacher appreciation, Reflections, student and teacher recognitions, etc.), library functions, hosting of the regional Sterling Scholar competition, the Career Fair, and other worthy programs.

Please take a moment and join today. **Dues and donations are payable at the financial office window.**

Thank you for supporting Timpview PTA!

Timpview’s English Language Arts Department has a new look this year as it takes on the accelerated rigor of the new Utah Core. Since last year, we have replaced three teachers and an intern. In addition to the new hires, some old timers have taken on new responsibilities, but first, the introductions:

Sierra Penrod joins our department as a full-time teacher after a stellar job as an intern last year. Sierra shares her passion for literature with seniors in AP Literature and juniors in English 11. She recently graduated from BYU with a bachelor’s degree in English Education. Sierra grew up in Littleton, Colorado, loves the outdoors, and has a pet hedgehog that entertains her when she is not reading or playing in Utah’s outstanding mountains and canyons.

Melanie McCloud grew up in Utah County and graduated from BYU with a bachelor’s degree in English. She also has a master’s degree in secondary education. Melanie is in her eighth year of teaching and says she is “thrilled to be teaching freshmen and seniors at Timpview.”

Greg Arnold moved from Phoenix, Arizona, to join our team and is currently teaching debate and English 10. Greg’s debate team has experienced success in the first three tournaments in which they have competed. Greg received his English Education degree from BYU, and his first year teaching at Timpview will be the tenth year of his teaching career. Greg has high hopes for our debate team and plans to develop a team that is tops in the state.

Kasey Hammer is originally from Portland, Oregon, and came to Utah to study English at BYU. She is serving an internship with us this year as she finishes her education degree. Kasey loves the outdoors, music, and reading. Besides Harry Potter, her favorite book is a toss-up between The Glass Castle and The Book Thief.

Timpview Language Arts has been a busy department this year. Two of our teachers recently participated as presenters at the Utah Council of Teachers of English (UCTE).

Jeana Rock, instructed teachers on “How to Read an Image” as it relates to the new Utah Core, and Sarah Orme sat as a panel member for a discussion on “How to Survive Your First Years.” Both were outstanding in their presentations. Sarah, a fifth-year teacher, followed up the UCTE presentation with a presentation in Boston at the National Council of Teachers of English. Finally, Kasey Hammer, another stellar intern, traveled to Germany with a team of English teachers from BYU to present one of her papers on education. Timpview’s English Department is fortunate to have these outstanding teachers on its team.

Our English teachers work as a team to continually improve Timpview’s English Language Arts Department. David Sutherland continues to head up our yearbook team, and Sarah Orme is the new journalism teacher. The Thunderbolt is now 100 percent available online—thank you, Sarah! Sierra Penrod oversees the Creative Writing Club, and Greg Arnold teaches debate and coaches the debate team. Suzanne Parker and Jeana Rock serve as committee members on the district literacy team. Suzanne, who teaches our English 9 Honors classes, recently completed training for pre-AP instruction as it relates to the new Utah Core and is currently working on her ESL endorsement. Jim Davis has replaced Alison VanOrden as department chair, and with her guidance, he hopes to continue the excellent work she has accomplished over the past four years.

With a goal of “all students college and career ready by graduation,” we strongly believe in developing an early foundation in literacy skills. Alison, who continues to teach AP Language to juniors, is now tackling the English 9 curriculum. Alison’s successes as an AP Language teacher and Suzanne’s training in pre-AP instruction guide our team as we prepare our students for the advanced rigor of the new Utah Core. While we have many teachers wearing new hats, we look forward to a successful year.

–Jim Davis, English Department Chair
Wonderful academic and extracurricular opportunities, coupled with the excellent instruction of faculty and staff, have earned Timpview worldwide recognition, and each year more ESL students choose to join the ranks of Timpview’s student body. In addition to a state-required mainstream English course, Timpview offers three elective courses to support these students in their study of the English language: Beginning, Intermediate, and Advanced English as a Second Language.

When ESL students first arrive at Timpview, they are given a quick English placement test by a representative of the ESL Department. This test determines the best English class for them to enroll in, according to their proficiency level. A counselor then helps students and their parents/guardians determine the rest of their schedule. After a short tour of the school, students are ready to begin their Timpview experience.

ESL students are provided with various levels of support as they progress in their English level of proficiency and performance. Spanish speakers make up about 75 percent of our total ESL population. These students receive the help and support of student mentor volunteers, in addition to that of faculty/staff. Timpview also has a Latino club and Latino parent support group that organizes cultural events, with the help of the Latino community and the support of our administration, Spanish teachers, and ESL faculty/staff. Please watch for announcements regarding the Christmas event *Fiesta Navideña con un Toque Latino* scheduled to take place at Timpview on Saturday, 14 December, at 5:30 P.M.

Who are our ESL students and where do they come from?
Timpview’s ESL students make up over 20 percent of our total student population. Many ESL students come to Timpview as foreign exchange students, staying with host families from the THS community for one year. Others have moved into the area with their families within the last few years. These students hail from all over Central and South America, including Mexico, Peru, Chile, Argentina, Ecuador, Guatemala, Brazil, Venezuela, Haiti, and El Salvador. Other students come from Asia and the Polynesian Islands, namely South Korea, Japan, China, the Philippines, Tonga, and Samoa. In recent years, we have hosted an increasing number of students representing countries in Europe and Africa as well, such as Denmark, Spain, France, Italy, Germany, Russia, Uganda, and Liberia. While more than 20 foreign languages are spoken by Timpview ESL students, the top three languages are Spanish, Korean, and Portuguese.

What do our ESL students say about their experience at Timpview High School?
The majority of ESL students come here because they have heard that Timpview is one of the best schools in Utah and that they will interact with students and faculty who are striving for excellence. Many count on their experience at Timpview to prepare them to attend a US college or university.
Scholarships
For scholarship information, pick up a 2013–14 Timpview Scholarship booklet in the counseling office or access information through this Scholar Box link. Creating a master application will help you complete almost any scholarship application. For instructions, click on this link.

Sophomores
The counseling office is meeting with each tenth grader to conduct his or her individual College and Career Readiness (CCR) parent/student meeting. Orange postcards will be mailed home with your scheduled date and time. Please come prepared with post-high-school plans and your class requests for eleventh grade.

College Tours
Timpview counseling has space available on the tours below. Juniors and seniors can sign up in the counseling office.

Utah Valley University
Thursday, 23 January, 9:00–11:30 A.M. (even day)

Snow College
Wednesday, 19 February, 8:30 A.M.–2:15 P.M. (even day)
Bring your own lunch or lunch money

Mountainland Applied Technology College (MATC)
Thursday, 13 March, 8:30 A.M.–12:00 P.M. (odd day)

• You may join us on two tours. Please rank the tours you are interested in attending, in order of preference, on your Parent Permission form. We will do our best to give you your top two choices.
• We will “extracurricular” your absence.
• Students must be in good academic standing to attend the college tour.
• Sign up quickly! We can take the first 50 students—first come, first served.
• All campus visits will include a walking tour. Wear comfortable shoes, and dress for the weather.
• Bring completed Parent Permission forms into the counseling/career center ASAP to reserve your spot. The Parent Permission form is available here.
• Bring your own lunch money to Snow; food choices starting at $5 will be available.

Road Trip: Visit a Campus
Visiting a college or university campus is a great way to see if the school “fits” your needs. Timpview will excuse an absence for one day for a senior student to visit a school campus. Pick up the pre-approval form from the attendance office, and bring back something from the visit to show the attendance office that you attended.

Some campuses offer overnight opportunities, and all will offer day tours. Sign up early, as overnight space is limited. More detailed information is available on each school’s website.

Access the “Road Trip” booklet here (or go to the Counseling-Register tab on Timpview’s website).
UVU Distance Education Is Here!

Timpview students can take actual UVU courses through Concurrent Enrollment via Live Interactive Education

Live Interactive Education (formally called Distance Learning) is another great opportunity for Timpview students to earn college credit while in high school. Professors on the UVU campus teach in a special classroom designed to transmit the class throughout the state. The high-tech equipment enables students to communicate with the on-campus professor in real-class-time while attending their high school class in Timpview’s media center.

Why take Live Interactive classes?
- Earn high school and college credit at the same time
- Convenient: classes are attended right at the high school
- Low tuition of only $5 per credit hour (student responsible for textbook, clickers, etc., if needed for their class)
- Classes are taught by UVU instructors in semester-based classes (earning 1.0 high school credit per semester)
- Classes fulfill college General Education requirements
- Get a jumpstart on college!

Who should take Live Interactive (LI) classes?
- Junior and senior students with a 3.0 GPA or higher who meet ACT requirements for college English, math, and biology courses
- Students wanting a challenge through rigor
- Self-motivated and disciplined students who understand the importance of attendance and good study skills
- Confident students who like expressing themselves through written communication
- Students ready to move on to college!

How do I register for Spring 2014 LI courses?
- Meet with the CE Coordinator Lisa Pulver in the Timpview media center before the Christmas Break for instructions
- Obtain and complete an LI registration card by 6 January (will require admission to UVU; see information below)
- Meet with your high school counselor
- UVU courses begin 6 January!

Important

- **Students must be admitted to UVU to enroll in LI courses.** If you plan to participate, see Mrs. Pulver in the media center before Christmas break for instructions.

- Admission to UVU requires a one-time $35 non-refundable fee paid to the university through the high school Concurrent Enrollment program. Click the “Start Here” button at [www.uvu.edu/concurrent](http://www.uvu.edu/concurrent) and follow the CE admission process in “Step One.” (If you currently participate in UVU Concurrent Enrollment, or have done so in the past, this step has been done.) Students participating in a Distance Education (LI) course buy their own textbooks, etc., and pay low tuition of $5 per credit hour, payable to UVU.

- **UVU Spring courses begin Monday, 6 January**

- Note—Students passing the AP English Composition exam with a score of 3, 4, or 5 must have scores submit to UVU directly from the College Board prior to registration in ENG 2010 or PHIL 205G. Students may also enroll in these courses by passing ENG 1010 with a C grade or better.
