Bond
Proposal

In February, Provo City School District Board members voted to place a $108 million bond proposal on the November ballot. The bond would be used to rebuild Provo High School and Edgemont, Rock Canyon, Provost, and Sunset View elementary schools. Purportedly, no longer having to maintain these older buildings would free up district funds to go toward much-needed improvements at Timpview and other schools.

Board President Michelle Kaufusi is happy to answer questions about the bond—to address individuals’ questions or to field questions at cottage or neighborhood meetings. Contact her at michellek@provo.edu.

A Message from Principal McKee

Dear Timpview Families,

I first want to thank everyone who has assisted us thus far with our accreditation. This process has been extensive and all-encompassing, requiring a lot of time from so many at the school. It is a new process adopted by the state, and while many of their survey questions need improvement, it has been extremely beneficial to hear from our parents, students, and staff about ways we can make Timpview even better.

This past week the accreditation team, made up of educators from around the state, visited the school, reviewed all of our practices, and interviewed groups of parents, students, and teachers. In the end, this group recommends to the state whether or not Timpview should be accredited for the next five years. I am happy to report that we passed with flying colors. The team was very impressed with our incredible teaching staff overall and our clear focus on the academic success of our students. The following is a list of the commendations that the team cited in their final support:

- The school’s culture is consistent with the school’s purpose and direction.
- The administration engages all stakeholders in supporting the school’s purpose and direction.
- The school’s supervision and evaluation process does result in improved professional practice and student success.
- The school had developed a schedule that regularly involves all teachers in a collaborative process to improve instruction and student learning.
- The school has a variety of learning support services to meet the needs of students.

In addition, the team offered a number of recommendations to improve the experience for our students. These recommendations may provide us some direction as we develop our school-improvement plans. They include:

Prom: the 411
Prom, a formal dance for juniors and seniors, will be held
Saturday, 19 April, 8:00–11:00 P.M., at the Provo Library
(exact time of Promenade TBA). The theme is “Old
Hollywood.”

The dress code is the same for every THS dance: sleeves
must be at least three-fingers’ width at the shoulder; length
must be to the knee or longer; no cleavage; no sheer fabrics;
and no clothing that is too tight.

Girls may attend Prom in small “stag” groups, if they
choose. They also have the option of being escorted for
Promenade by a father, brother, church leader, etc.

Guest passes are mandatory for students attending from
other schools. Passes will be available on the school website,
or you can request one via email from Holly Bowers:
hollybo@provo.edu.

Summer Driver Education
Four summer sessions of Driver Education are now open for
registration. For information about the Driver Education
program, including the online course, click on this link (also
found in the right-hand menu of Timpview’s homepage). To

Yearbook Sale Ends
after Spring Break
Yearbooks will remain on sale for the historically low price
of $50 until Friday, 4 April—the last day before Spring
Break.

The price after Spring Break will be $65. Yearbooks
typically sell out the last week of school, so buy before
Spring Break to secure your yearbook and save $15.

Principal’s Message continued from page 1 . . .
• The school lacks a formal structure that provides an adult
advocate for each student.
• The school does not fully use the technology infrastructure
to support teaching, learning, and operational needs.
• The school is in the beginning stages of developing a
clearly defined and comprehensive formative student
assessment system.
• The school’s leadership needs to provide a process to
provide all staff with training in the evaluation,
interpretation, and use of formative as well as
summative data.
• The school needs to define a process where they can
determine verifiable improvement in student learning
and for success at the next level.

Overall, I am very pleased with the accreditation feedback as
it has reinforced many of the steps we have taken to improve
our school, and it has provided us with direction on how we
can continue to make progress. Once again, I am grateful to
everyone who assisted us in this process, and I look forward
to working with our community and staff to continue the
journey we have started together.

It’s truly a great time to be a T-Bird!

–Todd

Heirloom Necklace Lost
Deborah Hinman lost a diamond-and-gold cross pendant on
an 18-inch chain at Timpview on Saturday, 22 February. The
pendant was a gift from her mother who has passed away,
and it holds great sentimental value. If you know of its
whereabouts, please contact her at 801-360-5151.

Where in the World . . .?
Seniors, have you been accepted to
college? Please let the main office know
where you are going. We will mark it on
the map in the main office.
Congratulations, T-Birds!

Mock Trial

Timpview’s Mock Trial team has advanced to the quarterfinal rounds of competition in mid-March. Team members include the following:

Captains—Rachel Sybrowsky, Eli Miller
Attorneys—Rachel Sybrowsky, Hannah Sybrowsky, Andrew Hulterstrom, Gabe Miller
Witnesses—Eli Miller, Erika Hulterstrom, Joe Sandholtz
Bailiff—Natalie Van Orden

In its 34th year, Mock Trial is sponsored by the Utah Law Related Education arm of the Utah Bar Association. Teams compete twice at tournaments, playing both the defense and plaintiff. Teams with the best record move on to final rounds. Students receive case materials three weeks prior to competition. Attorneys must prepare questions and opening/closing statements to bring out the facts of the case that put their side in the best light possible. Witnesses must learn the material found in the affidavits and act as if they were that person. This year’s case involves a teenager who sustained a concussion during a soccer tournament that left her with debilitating injuries; she has brought a civil case, seeking damages, against her soccer coach and soccer club director. (Advisor: Suzanne Parker)

The Voice

Timpview can claim two contestants on this season of NBC’s The Voice: Madilyn Walstad (junior), who goes by “Madilyn Paige,” and alumnus Tanner James. To view their performances and follow the competition, click on http://www.nbc.com/the-voice/artists/season-6.

Basketball

The Girls’ basketball team were Region 8 champions with a 17-4 overall record. They beat Woods Cross (59-35) in the first round of the 4A state tournament. In the quarterfinal round, the T-Birds led Skyline by 16 points with less than 10 minutes to play; however, Skyline rallied and won the game 51-50. Read about and see photos of the game here. (Coach: Casey Sundquist)

The Boys’ basketball team were Region 8 champs as well, with a 19-6 season record. In the first round of state tournament play, they fell to Highland (74-64). The Thunderbirds fought hard but couldn’t quite close the gap after ceding a 19-point deficit in the first half. Click on this link for game information and photos. (Coach: Kevin Santiago)

German

During the last week of January, 50 Timpview High School students took the 2014 National German Exam. Ten students scored in the top ten percent nationally on the test:

Anna-marie Sprenger (Level 4+)
Gwen Davis (Level 4+)
Ed Ringer (Level 4+)
Autumn Clark (Level 3)
Kiersten Robertson (Level 3)
Benji Cardon (Level 3)
Alex Lagunas (Level 3)
Jacob McDaniel (Level 2)
Robert Oldroyd (Level 2)
Ethan Barlow (Level 2)

Anna-marie had the highest score in Utah and scored in the top one percent nationally. Gwen and Ed had the second- and third-highest scores in the state. (Advisor: Stephen Van Orden)

Student Government Elections

Students wishing to run for, or be appointed to, a 2014–15 student government office should have attended the mandatory meeting on 25 February. For more information on important dates, applications, and deadlines, click on the link found here.

Career Fair a Success

Thanks to all who participated in February’s Career Fair. More than 60 presenters—including many Timpview parents and alumni—gave students a glimpse at a variety of interesting careers. Thanks also to Ann Decker (Internships and Work-based Learning) who put in countless hours to organize such a successful day.

Debbie Dodds Honored

Debbie Dodds has been named PE Educator of the Year by the Utah Association of Health, Physical Education, Recreation and Dance (UAHPERD). She will be honored at the association’s annual conference, 14–15 March. Debbie teaches fitness for life and health at Timpview and coaches the softball team. We’ll have more information on Debbie’s award in the April T-Bird Times.

Grant Program for Low-Income Students

Shauna Palmer Receives BYU Teaching Award

BYU’s Division of Continuing Education awarded Shauna K. Palmer the 2013 Faculty Teaching Award for her work with BYU Independent Study. She was chosen for her passion for, and extensive work in, developing creative and quality education for students.

Shauna has been with Provo School District since 1988 and teaches Japanese and AP Government at Timpview. She began teaching for BYU Independent Study in 1995, where she created the first self-contained language course, and now teaches four Japanese courses. She uses her award-winning level-one course in her Japanese One classes at Timpview; it is part of a BYU pilot program for “blended” learning models meant to facilitate language-learning throughout the country.

Shauna’s influence for quality education is felt worldwide as she has approximately 500 students currently enrolled in Japanese either at Timpview or BYU Independent Study. She took 23 Timpview students to Japan last summer as part of the Kakehashi “Bridge for Tomorrow” international exchange. Students walked away from the experience knowing they could communicate with the people and not just produce material for a test. Timpview reciprocates this exchange by hosting the Japanese students this month.

District Seeks Nominations for Provo Way Award

The Provo Way is an award designed to recognize the positive things students, teachers, parents, staff, and administrators do in Provo City School District (PCSD). Excellence can come in many shapes and sizes, and there is no one definition. PCSD encourages everyone to look for and nominate people serving and doing amazing things throughout the district.

**How to Nominate**

Nominations are open to anyone who is part of the Provo City School District and its community. Simply click on the online Provo Way Award Nomination Form, complete, and submit the nomination form.

**Selection Process**

All nominations will be screened by the Provo City School District Celebrations Committee. Those chosen for recognition will be recognized at their local school and at the monthly School Board Meeting. Questions? Contact Caleb Price: 801-374-3788, calebpr@provo.edu.

Huntsman Award Nominations

The Jon. M. Huntsman Family is proud to sponsor the 22nd Annual Huntsman Awards for Excellence in Education.

- Nominate your favorite Utah public school teacher, volunteer, or administrator.
- Eleven winners will receive $10,000.
- Nomination forms can be found online at www.huntsman.com/haee.
- Due date: **Friday, 14 March**

Award recipients will be honored at a banquet at Little America Hotel in Salt Lake City on 16 May.
Math competition season is upon us, and this year we have some real mathletes! Our 2014 Sterling Scholar in mathematics is Amanda Gao. Amanda loves math and excels in math competitions as well as in her classes. She has a 4.0 GPA, earned a perfect 36 on the ACT, and coaches the MathCounts Team at Provo High. She is a state finalist Sterling Scholar in math and will find out this week if she is one of the top three at state. Go Amanda!

Last month the math department offered the American Mathematics Contest, and 35 of our students took the challenge! The twelfth-grade winner was Peter Young; Wayne Li was the winner for eleventh grade; top tenth-grader was Rachel Jun; and Christopher Fang was the ninth-grade winner. Wayne also qualified for the AIME (American Invitational Math Exam), which is very hard to do. Nice going everyone!

The State Math Exam was 10 March, and the Snow College Math Contest is coming up on 1 April. Timpview might just bring home the “gold” again for the twentieth time from Snow. No foolin’!

Mark your calendars for Timpview’s

Spring Student Showcase

Wednesday, 7 May, 6:00–8:30 P.M.

A perfect evening for families and youth groups to support Timpview’s budding artists and designers. Displays and demonstrations will include

• visual arts (ceramics, drawing, painting, etc.)
• poetry readings
• foods (including a “Cake Wars” competition)
• fashion show
• robotics display
• computer game design display

More details to come in April’s T-Bird Times.
March seems to me to be a month of hope and new beginnings. With spring officially starting in a few weeks, and daffodils and tulips coming up, we can all look forward to sunny and warmer days ahead!

I feel much has been accomplished at Timpview recently. With the Accreditation team here last week, a group of parents met with the team near the end of the visit. I was impressed to hear of the many instances where teachers had been especially supportive of students. Even though there are some areas to work on, the number of students and parents whose lives have been improved through their experiences at Timpview is heartwarming.

We will have a PTA table at the Parent Teacher Conference this Thursday. Please stop by if you would like to visit, have a question, or would like to join PTA! Baked goods will be for sale to raise money for school projects. Last year’s bake-sale money went to the library.

I would like to give a huge “Thank You” to all the PTA members and parents at Timpview who help in so many ways. Your cooperative spirit is amazing! Shel Silverstein says it well:

**HUG O’ WAR**

I will not play at tug o’ war.
I’d rather play at hug o’ war.
Where everyone hugs
Instead of tugs.
Where everyone giggles
And rolls on the rug.
Where everyone kisses,
And everyone cuddles,
And everyone wins.

**Easter Basket Auction: Donations Needed**

Timpview PTA has the opportunity to contribute to the after-school programs in Provo School District, and we need help.

Each spring, local businesses partner with the Provo School District Foundation and local schools to sponsor the Easter Basket Auction. More than 100 baskets and numerous live-auction items are donated and auctioned to the highest bidder.

This year’s event is scheduled for **Thursday, 17 April**, in the ballroom of Provo’s historic library, and includes a delicious buffet provided by the culinary class at Provo High. **One hundred percent** of the proceeds supports after-school programs in Provo School District. About 5,000 children participate in these after-school programs every year.

We need to fill a basket to be sold at the auction. **Do you own a business or have connections?** Gift certificates for restaurants, movies, entertainment, sporting events, hotels, and local businesses are always popular. Nonperishable items to go in or with the basket are needed, and ideas for a themed basket are welcome. Anything is possible.

I have personally attended the auction for many years and am always impressed at the high attendance, the huge variety and quality of items offered, and the amazing support from the community, with all the money raised going directly to Provo students.

If you can help, please contact me, **Heather Jones**: jonesofaheather@gmail.com or 801-891-7373.

—Heather Jones, PTA Board
Great Student Award

The Great Student Award is sponsored by the PTA. Teachers nominate students who have put forth extra effort in their classes. Recipients receive a Key Card and recognition in their classes by Principal McKee.

★ Eddie Alvarez—“He is helpful to students with disabilities in my class and kind to everyone.” (Teacher: Lindsey Challis)

★ Madalyn Fergus—“She works hard.” (Teacher: Kasey Hammer)

★ Eli Miller—“He does a great job of helping me run Band Council. Eli is constantly checking in to see if he can help with anything.” (Teacher: Jared Hearld)

★ Alexander Larsen—“Alec always is willing to go above and beyond to help other students. He is conscientious, kind, and patient with his peers and those he has assigned to help.” (Teacher: Kristi Johnson)

★ Erin Tapahe—“Erin is a leader who jumps at the chance to help her peers. She leads by example and has a gift making others feel comfortable and accepting of her help.” (Teacher: Kristi Johnson)

★ Cory (Barry) Thomas—“This semester he hasn’t missed a single thing, and he even got 100 percent on the last quiz I gave. I think he has been putting forth a real effort in my class, and I really appreciate that.” (Teacher: Kylie Roth)

★ Eden Alard—“Eden is the kind of student who has been able to make sure everything gets done. She is a tremendous help on student government and is really the backbone of a lot of major events, although she doesn’t get major credit for them.” (Teacher: Cassidy Baker)

★ Sophia Bigelow—“Sophia has been improving so much in my class lately. I have seen her transform herself as a student and work hard to make sure all her grades are the best they can be.” (Teacher: Cassidy Baker)

★ Rebecca Eyre—“She is an outstanding student academically, is always in class on time, and participates fully. My class really depends on students like her.” (Teacher: Jenna Rock)

★ Carson Knight—“He is a great student and very punctual and involved in class.” (Teacher: Jenna Rock)

★ Lynda Martinez—“Lynda is always on task and always engaged in class. Whenever I call on her she is ready with an answer. Lynda also stays up on her work. If she is absent she gets her work caught up and is the ideal student to have in class.” (Teacher: Brian Mangum)

★ Ward Yorgason—“Ward has spent hours and hours on setting up our teachers’ disclosure documents on the Timpview website.” (Teacher: Gary Ashton)

★ Julianne Twede—“She is a great student.” (Teacher: Kasey Hammer)

Look for the PTA table at Parent-Teacher Conference on Thursday, 13 March. We’ll be holding a bake sale to raise funds for library and other programs. You may also choose to donate to and/or become a member of Timpview PTA. We’ll see you there!

The final two PTA meetings of the school year will be held 12 March & 9 April at 1:00 p.m. in the main office conference room. Please join us!
Counselors’ Corner

Opportunity for Junior Boys
- Boys State—Junior boys only, 24 March application deadline.

Open to legal, permanent residents of United States. Attend a five-day conference at Weber State campus, June 2014. Receive 3 college credits. Training in the functional aspects of citizenship. Sponsored by the American Legion; its purpose is to teach the youth of today constructive attitudes toward the American form of government. Applicants will be interviewed by a committee looking for outstanding qualifications in leadership, character, and service. American Legion scholarship will pay for some conference costs. Approximate cost to student: $300. Applications available from Colette Davis in the career center.

MATC Campus Visit
The counseling office is offering one more college tour this year:
MATC, Thursday, 13 March, 8:30 A.M.–12:00 P.M.
Juniors and seniors may bring their Parent Permission form into the counseling office to reserve a spot on the tour. We can take the first 50 students who sign up.
MATC is also a great school to attend part-time as a senior. PSD will pay the tuition and the students only need to pay the fees. Be trained for a great job right out of high school: EMT, CNA, dental assistant, cosmetology, culinary arts, welding, media design, and more.

Register for Summer Field Studies

Students can learn real science in the field and earn credit

➤ Summer Wetlands

The Summer Wetlands Field Studies program is designed to provide opportunities for students to participate in real science, increase their conceptual understanding and awareness of the interrelatedness of all living things, and motivate students to become active participants in the conservation and wise use of our natural resources.

During this one-week program, students will visit riparian habitat along Hobble Creek and Diamond Fork Rivers, wetlands surrounding Utah Lake and Farmington Bay Wildlife Refuge near the Great Salt Lake, as well as high mountain bogs, ponds, and lakes in the Uinta Mountains. They will work in teams to design and carry out field research of wetland ecosystems using proper research techniques and technology; they will then organize and evaluate their findings for presentation to other students and parents.

The program will run 7–11 July, Monday through Friday, from approximately 7:00 A.M. to 5:00 P.M. each day. Students who successfully complete the course will receive 0.25 of science credit for “Ecology Field Studies.”

Enroll now by paying your registration fee ($75) at the Timpview accounting office. Enrollment will be limited to 24 students on a first-come basis. If the class is full, you may place your name on a waiting list. Please sign the class list and provide the necessary information when registering for the class. Students will provide their own lunches and snacks on day field trips. For more information, contact Alan Myrup: alanm@provo.edu.

➤ Earth Science

Summer Earth Science Field Studies programs are scheduled for 9–13 June (paleontology and geological time) and 28 July–1 August (glaciers and tectonism). Each session provides participants with 0.25 of science credit.

The first class will include field studies in local canyons, focusing on identification of rocks and fossils and their relationship to geologic time. The second class will focus on evidences of glaciation and tectonic forces in local canyons. Estimated cost for each Earth Science program is $40 per student; register and pay in the accounting office. For more information, contact Brian Mangum: brianm@provo.edu.
