As we begin to bring the school year to a close, I would like to thank everyone who has helped make this a great year. The list of this year’s accomplishments is lengthy. To begin, The Washington Post recognized us as the most academically challenging school in Utah Valley based on our students’ performance in Advanced Placement courses. In addition, our students are leading the way in college readiness as measured by the ACT exam and number of National Merit Scholarship nominees. Our athletic and performance groups are also leading the way throughout the state as measured by the number of superior ratings and state championships earned. Indeed, it is a good time to be a T-Bird!

We have made progress, as well, in others areas this year. We introduced the concept of Timpview PRIDE to emphasize the importance of personal responsibility, respect, integrity, discipline, and engagement. These are important characteristics that we want all of our students to learn and reflect in their lives. Many of our students also participated during the fall in Breaking Down the Walls, which examined how our students treat each other and helped build a more positive school community. All of these efforts this year have been important elements to creating a school environment where every student can feel included. Our work is not done, but we have made significant progress.

Another highlight for us this year was the accreditation process. Every school in the state must go through a process every five years by an outside group to evaluate the entire school program, including school leadership, instruction, resources, and assessment. So many of you helped in this process by providing us with feedback through surveys and...
When four pillars of the Timpview faculty announced their upcoming retirement, scores of students, parents, and colleagues went into deep mourning. We are inexpressibly grateful for the service these men have rendered to the Timpview community. The years below reflect their years of service in the Provo School District—a combined 124 years of teaching Provo students.

Please join us at a public reception honoring these exemplary teachers
Monday, 12 May, 2:30–4:00 P.M. in the Timpview media center.

Join us for the Annual Timpview

Student Show

Wednesday, 7 May, 6:30–8:30 P.M., north gym

A perfect evening for parents, families, and youth groups to support Timpview’s budding artists and designers. Displays and demonstrations will include:

▪ fashion show beginning at 6:30 P.M. in Commons (Sports Sewing, Clothing 2 & 3, and Fashion Design classes)

▪ drawing  
▪ painting  
▪ Japanese art  
▪ ceramics  
▪ woods  
▪ metal sculpture  
▪ print-making

▪ graphic design  
▪ print media  
▪ digital photography, movies, media  
▪ computer games  
▪ apps  

▪ robotics  
▪ poetry readings  
▪ cake decorating  
▪ foods, catering  
▪ fashion sketches, construction

... and more

For student viewing, creative works will be on display in the north gym 5–9 May. The open house on 7 May is free and open to the general public. Deadline for student entries is 2 May at 3:00 P.M. Individual entry forms must be completed for each item entered. Incomplete entries may not be accepted into the show. Students may enter up to two pieces per category. All work submitted must be appropriate for high school display (e.g., no nudes, no vulgar language).
Principal’s Message, continued from page 1

focus groups. This input has been so critically important as we draft plans to make continued improvements. In the end, the Accreditation Team was very complimentary and impressed with our school community, and they gave us a strong recommendation for the next five years.

One of the outcomes of the accreditation process has been an effort to improve our communication with the home. In addition to the monthly newsletter and weekly emails, we have worked hard to develop an annual Stakeholders’ Report that is published each December and reviews the school’s assessment data. We have developed a Parent Guide that attempts to answer all the important questions about the school that parents always seem to ask. We have completely revamped our Curriculum Guide to better inform parents and students about all of our courses and how they will prepare our students for college and career. This is just a sampling of the things we have worked on this year, and we will continue to work on improving our communication with you.

Finally, I cannot say enough about the good work of our Community Council this year. Their work this year has supported an ACT prep course for any Timpview student planning to take the college entrance exam; two summer science courses for students to have a true field experience in Geology and Wetland Biology; four college tours for junior and senior students to experience a college campus who would not be able to otherwise; five mobile Chromebook labs for students to use technology in their core content courses; new lab equipment for our Physics courses; and textbooks for a new AP Geography course that is designed for ninth-grade students. (For exact figures, see right-hand column, this page.) This is, again, just a sampling of the work of this group. I am personally grateful for their service as you can see they have greatly added to the overall quality of the school.

Once again, it has been an incredible year, and as we move into the summer months, I want to wish our seniors and their families all of the very best in their future. To those who are returning with us next year, I hope that you have a wonderful, fun, and safe summer.

Go T-Birds!

–Todd

Comprised of school administrators, teachers, and parents, the Community Council is tasked with allocating State Trust Lands Funds in accord with the school improvement plan. Elections for the 2014–15 council will be held in September. Minutes of past council meetings can be found on the Timpview website here.

Community Council members for 2013–14 are:

School members—Todd McKee, Brian Mangum, Cynthia Carter, Nate Warner, Genet Orme
Parent members—Lisa Jensen, Eleanor McBride, Amy Andrus, Rhonda Wall, Herb Stoddard, Mitzi Collins, Tricia Stoddard
School board representative—Marsha Judkins
Administrative secretary—Michelle Williams

As mentioned in Dr. McKee’s “Principal’s Message,” The Washington Post ranks Timpview one of the most challenging high schools in Utah: first in Utah Valley and tenth in the state. The ranking is based on the number of college-level tests given in the previous calendar year divided by the number of graduates that year. More information is posted on the Timpview website here.
Senior Stuff

Important Yearbook Announcement for Seniors with Fines

A new policy is in place this year: If you want to get your yearbook on time, you must have all fines paid. Yearbooks will be distributed Tuesday, 27 May, during first period to all students who have purchased books, with the exception of seniors who have unpaid fines. Fines must be paid before yearbooks will be released.

Academic Letters

Seniors, Academic Letter applications are available in the main office and are due to department heads on Friday, 2 May.

Timpview Academic Letter

The purpose of this program is to reward and promote academic excellence. It enables a student to letter in subjects like English, history, and math, just as a student would in athletics. Students must meet the requirements of the individual department listed below to receive an Academic Letter.

Graduation is around the corner!

For dates and deadlines related to graduation, see the Senior Timeline on page 14 of this newsletter or on the school website here (on main page under the calendar tab).

Senior Party

Information and ticket order forms for the Senior Party were sent to parents from the school via snail mail and email. Forms are also available in the financial office.

The Senior Party will be held after graduation on Wednesday, 28 May, 11:00 P.M.—2:00 A.M., at Provo Beach Resort. With one ticket price, students will be able to participate in all PBR activities, including surfing, ropes course, bowling, croquet, golf, skee ball, hoop shoot, arcades, and more. Food is also included in the ticket price. A movie, X-Men: Days of Future Past, will be shown at Wynnsong 12 Theaters from 2:30 to 4:30 A.M.

• PBR ticket price is $25 until 15 May; the price will increase to $30 after 15 May.
• Movie ticket price is $7.
• Senior T-shirts are available for $5.

Again, information and ticket order forms can be obtained in the financial office.

If your student will not be 18 years old by 28 May, you must sign parental release forms: http://goo.gl/jb6Ic (flowrider) and http://goo.gl/i5R1v (ropes course).

The committee is seeking parent assistance with the following: food donations (fruit, veggies, finger desserts), financial donations (to subsidize tickets for students who can’t afford to attend), door prize donations, and chaperoning. Sign up to volunteer in the financial office or contact Robin Smilanich: robinsmilanich@gmail.com.

We want all seniors to be able to attend. If you need financial assistance, please contact Nate Warner in the counseling office.

FAFSA Help (Free Application for Federal Student Aid)

FAFSA Help and College Registration Night
Wednesday, 7 May, THS library, 6:00–8:00 P.M.

Now that taxes have been submitted, Timpview is offering another FAFSA Help and College Registration Night, with counselors and FAFSA specialists ready to help your senior student apply. You may think you don’t qualify for a Pell Grant, but please understand FAFSA offers many options besides the Pell Grant you might want to consider (e.g., work study, student loans).

To complete the FAFSA, bring the following items:
• Parents’ 2013 Federal Income Tax Return
• If the student worked in 2013, the student’s 2013 Federal Income Tax Return, W-2 forms, or other records of income
• Social Security card or correct SS# written down or Alien Registration Card or Permanent Resident Card

College Registration Help: Counselors will provide realistic information on tuition costs and living expenses at various colleges state- and nation-wide so that you and your senior can plan ahead and see how FAFSA can work for you. Counselors will also help students apply to open-enrollment colleges.

Bring a credit/debit card to pay the college application fee online. If you don’t have a credit/debit card, we will print out your completed application, and you can send it to your college with a check.

To learn more about FAFSA, click on the following links:

State of Sports Awards
Timpview volleyball coach Kristen Bailey was named “Coach of the Year” and Britain Covey was named top “High School Male Athlete” at the Third Annual Governor’s State of Sports Awards ceremony, 22 April, in Salt Lake City. The ceremony featured remarks by Governor Gary R. Herbert and golf legend Jack Nicklaus and also honored Lifetime Achievement Award recipients Johnny Miller and Billy Casper.

The awards honor excellence by Utah athletes in high school, amateur, collegiate, Olympic, and professional sports. Nominees were selected by a committee comprised of sports media professionals and community members. Fans voted online for their favorite nominees in each category. Timpview’s Lauryn Dela Cruz was one of six finalists in the “High School Female Athlete” category. For more information, click on www.StateofSportAwards.com.

Congratulations to Mike Hunter, Timpview’s athletic director, who recently completed requirements to become a certified athletic administrator.

Michelle Williams Honored
Timpview’s administrative secretary, Michelle Williams, received the Building on Excellence Award from the Provo City School District Foundation. The award is given annually to district employees who have been nominated by their peers as outstanding employees. Michelle was one of six district employees—including four teachers and one administrator—honored this year.

SkillsUSA
The following students won awards at this year’s SkillsUSA state championships:

Zac Carlson—gold in motorcycle service; Zac was last year’s national gold medalist and will represent Utah again at nationals in Kansas City in June.
Daniel Jones—silver in power equipment technology
Sidnie McGraw—silver in extemporaneous speaking; Sidnie was elected to a state officer position, which includes a trip as a state delegate to nationals in Kansas City and a leadership conference in Washington, DC.
Ward Yorgason, Trey Nelson—silver for web design (team)
Wayne Li—silver in computer programming
John Morgan Nemelka—bronze in computer programming
Joseph Wilson—bronze in related technical math
Mike Dromey—bronze in welding sculpture
Quin Karpowitz—fourth in computer programming
Conner Alger—fourth in automotive refinishing

Nick Hansen, Greg Watts—tenth (tie) in collision repair
Tanner Albertson—tenth in welding sculpture
Paul Oldroyd—thirteenth in welding
Dylan Murray—thirteenth in photography
Christel Bons—twenty-second in photography
(Instructors: Gary Ashton, Scott Cherry, Rich Lamb, Bill Valora, Toni Wood)
German

After a rigorous testing, application, and interview process, Anna-Marie Sprenger was selected as a recipient of the AATG / Pädagogischer Austauschdienst Study Trip Award to Germany. The selection committee was particularly impressed with her achievements and enthusiasm for German. For the last three years, Anna-Marie has scored in the top ten percent nationally on the AATG National German Test. She scored in the top one percent this year.

Timpview was represented by 105 students at the BYU German Fair in April. Along with dozens of superior ratings, they won 50 Best of Fair awards (about 80 percent of all Best of Fair awards). Each judge chooses the best performance he or she has seen all day and gives that student/group a Best of Fair award. Eighteen schools from Utah, Colorado, and Wyoming competed at the fair. Timpview won awards in all events on all levels. The following students won Best of Fair awards:

Ballroom
In March, the ballroom company participated in the United States National Dancesport competition at BYU. Timpview’s Varsity Latin formation team took first in their division. In the Utah State High School Team match, Timpview took fifth place. (Jared Hancock)
Choir
The A Cappella Choir received three straight superior ratings at the Region Choral Festival and has qualified for the State Choir Festival on 10 May. (Director: Paul Larson)

Orchestra
The Philharmonic Orchestra distinguished themselves as among the very best musicians in the state with straight superior ratings at the Region Orchestra Festival. They will perform at the State Festival on 16 May. (Director: Alan Allred)

Band
The Jazz Band was one of only 23 bands to earn a spot at the State Jazz Festival, where they received a superior rating in performance and sight reading.

Symphonic Band and Concert Band received superior ratings at the Region Concert Festival. Symphonic Band will be playing at the State Concert Festival on 2 May.

Timpview band placed 40 entries and received 24 superior ratings at the State Solo and Ensemble Festival on 26 April. The THS percussion ensemble earned the highest—a “(1) superior”—rating. (Director: Jared Hearld)

Altered Book Art Contest
This was the third year of Timpview’s Altered Book Contest, sponsored by the Library and Book Club, in collaboration with the Art Department. An altered book is defined by the International Society of Altered Book Artists as “any book, old or new, that has been recycled by creative means into a work of art.” Below is a list of this year’s winners:

Best of Show
Rachel Jensen, Where the Heart Is (photo on page 1)

First Place
Amanda Pearson, Burning Prison

Second Place
Jennica Baird, Out of the Ashes

Third Place
Emily Cook, The Growth of Our Imagination

Honorable Mention
Alex Bills, Ascension from Darkness
Adam Lau, Life
Alison Taylor, Did You Hear?
Priscila Saavedra, The Spirit Tree

Name That Book
Name That Book is a contest sponsored annually by Timpview’s PTA, Library, and Book Club. In preparation, students read books from a list of 15 contest titles. Then teams of four-to-five students compete to identify random quotes from those books. In competition, an MC reads a quote, and teams have 30 seconds to confer and write their answers. At the signal, team captains show their answers and points are awarded. There are 25 quotes per round. The five teams with the most points advance to a final round. The top teams in this year’s contest were:

First Place: Haley Dunkley, Gracia Membreno, Monica Dela Torre, Nicolette Campbell, Olivia Hales
Second Place: Autumn Clark, Caroline Boucher, Carolyn Baird, Kiersten Robertson, Michelle Bacon
Third Place: Allie Taylor, Tim Muir, Vy Truong, Berenice Payares Izquierdo, Brooke Snow

Orchestra
The Philharmonic Orchestra distinguished themselves as among the very best musicians in the state with straight superior ratings at the Region Orchestra Festival. They will perform at the State Festival on 16 May. (Director: Alan Allred)
HOS A (Health Occupations Students of America)

Timpview was well represented in the results of the HOSA State Leadership Conference in March, especially considering more than 1,500 students registered for the conference. Timpview’s HOSA chapter was one of ten to receive “Silver Chapter” status.

### Annual Service Day a Success

Approximately 150 students participated in the annual School Service Day on Saturday, 26 April, organized by student government. (Special thanks to all the coaches who encouraged their teams to participate.)

Heavy rain precluded outdoor projects, so indoor projects included cleaning desks, cleaning mirrors, building shelves in the dance rooms, organizing dance outfits, scraping gum from lunchroom surfaces, wiping down library tables, straightening library books, and painting a classroom. We’ll see you next year!
PTA President's Message

Dear Timpview PTA and families,

As the school year comes to an end, I want to give a HUGE thank you to all the PTA volunteers who have made this school year a good one for students and families. We had Reflections, Serving Seniors Awards, Golden Apple Awards, Battle of the Bands, Bike to School Week, PTSA meetings with students who did the Festival of Trees, donations to the library, a basket for the Easter Basket Auction, and other activities. We had teacher and student appreciation every month and teacher birthday recognition. I want to give special thanks to Amy Andrus who volunteered her time and expertise every month to produce this wonderful newsletter for the school!

Still ahead are a teacher appreciation luncheon, teacher appreciation week (more on this page), and the Student Showcase on 7 May (see page 2). It has been a wonderful year for PTA. If your time permits, please think about joining us next year!

I hope all of you who have volunteered with PTA, music or theater programs, sports, or other activities at the school know how much your efforts are appreciated by the students and personnel at the school. It takes a community to support a school, and that is what we have seen here at Timpview—a community in action to support our students and school. Good things are ahead for Timpview and please know that your efforts have helped make that happen. THANK YOU!

Teacher Appreciation Week
5–9 May

Teacher Appreciation Week runs 5–9 May. On each of those days, the PTA will provide a treat in the teachers’ lounge to show appreciation to Timpview faculty and staff. We are so grateful to have wonderful teachers and support staff at Timpview! Please encourage your students to thank their teachers for the time they spend on their behalf.

Did you know the PTA shows teacher appreciation year-round with monthly thank-you treats, recognition of birthdays, and teacher appreciation luncheons? Thanks to Jill Guzzo, Debra Gary, Mary Ann Watanabe, and their committees who have worked so hard this year to honor our faculty and staff.

Thank You

Timpview PTA created a basket for the recent Provo School District Easter Basket Auction. A special thanks to the following businesses for donating basket items:

- Hale Center Theater Orem
- Scera Center for the Arts
- Tucanos Brazilian Grill
- 180 Tacos
- Adventure Zipline

All proceeds from the Easter Basket Auction go toward after-school programs in the Provo District. Please thank these businesses for their support!

In Search of a Cause . . .

The PTSA (student chapter of Timpview’s PTA) is soliciting proposals for service opportunities in 2014–15. In the past, PTSA has been involved with the Gingerbread House Festival, Festival of Trees, and Juvenile Diabetes. If you know of a worthy cause the PTSA can support, please contact Mitzi Collins at mitzicollins6@gmail.com.
2014-15 PTA Reflections Theme
THE WORLD WOULD BE A BETTER PLACE IF . . .

Spend the summer looking for inspiration and creating. (Reflections participation can be included in—and adds a creative dimension to—college applications.) Deadline for entries will be early fall. The contest is open to all Timpview students. Categories include visual arts, dance, photography, film, music, literature, and 3-D.
Rules and more information at www.utahpta.org.

Register for Summer Field Studies
Students learn real science in the field and earn credit

➤ Summer Wetlands
The Summer Wetlands Field Studies program provides opportunities for students to participate in real science, increase their conceptual understanding and awareness of the interrelatedness of all living things, and motivate students to become active participants in the conservation and wise use of our natural resources.

During this one-week program, students will visit riparian habitat along Hobble Creek and Diamond Fork Rivers, wetlands surrounding Utah Lake and Farmington Bay Wildlife Refuge, as well as high mountain bogs, ponds, and lakes in the Uinta Mountains. They will work in teams to design and carry out field research of wetland ecosystems using proper research techniques and technology; they will then organize, evaluate, and present their findings to other students and parents.

The program will run 7–11 July, Monday through Friday, from approximately 7:00 A.M. to 5:00 P.M. each day. Students who successfully complete the course will receive 0.25 of science credit for “Ecology Field Studies.”

Enroll now by paying your registration fee ($75) at the Timpview financial office. Enrollment will be limited to 24 students on a first-come basis. If the class is full, you may place your name on a waiting list. Please sign the class list and provide the necessary information when registering for the class. Students will provide their own lunches and snacks on day field trips. For more information, contact Alan Myrup: alanm@provo.edu.

➤ Earth Science
Summer Earth Science Field Studies programs are scheduled for 9–13 June (paleontology and geological time) and 28 July–1 August (glaciers and tectonism). Each session provides participants with 0.25 of science credit.

The first class will include field studies in local canyons, focusing on identification of rocks and fossils and their relationship to geologic time. The second class will focus on evidences of glaciation and tectonic forces in local canyons. Estimated cost for each Earth Science program is $40 per student; register and pay in the financial office. For more information, contact Brian Mangum: brianm@provo.edu.

Distance Education
through Utah Valley University

Distance Education is another great opportunity for a Provo School District junior or senior student to earn high-school and college credit at the same time. Students attend Distance Ed classes at Timpview in room M-12 in the media center. The college classes are broadcast live from UVU and are taught by UVU professors. The professors are on the UVU campus in a special classroom designed to transmit the class throughout the state and outlying areas. High-tech equipment in the high-school classroom enables students to communicate with the professor in real time (during class while the lecture is actually going on).

The following questions and answers might help students to know if this is the program for them.

➤ Who should take Distance Learning classes?
Students interested in fulfilling college General Education requirements or wanting a more rigorous level of classes should consider Distance Education. Distance Ed students must have a cumulative GPA of 3.0 or higher and meet the UVU prerequisites if taking English or math. These students must be hard working and understand the importance of attendance and good study skills.

➤ How do I fit a UVU Distance Ed class in my THS schedule?
This can seem tricky, but it’s not. Next to each UVU college class is the day and time classes meet, as well as the high-school class periods that will need to be blocked in order to attend the college class. Grades earned in most Distance Ed courses give 1.0 high-school credit, so blocking out two or more high-school classes to attend does not put a student behind in high-school credits.

➤ Who do I talk to if I am interested in Distance Learning?
Talk to your high school counselor or your Concurrent Enrollment coordinator, Lisa Pulver, for further program information, for instructions for course participation, and to receive required paperwork for registration.

➤ How do I apply and register for the program?
Simply follow the instructions for admission to UVU and requesting Distance Education classes on the following web pages: www.uvu.edu/de/students/highschool.html or www.ths.provo.edu (under Counseling-Register tab, then College Planning).

➤ Is there other paperwork required for Distance Learning?
Students taking English, math, or biology should make sure their ACT scores are sent to UVU prior to the beginning of the semester. The English 1010 requirement is an ACT score of 19 or higher in both the English and Reading areas. Math 1010 requires an ACT score of 19 or higher, and Math 1050 requires 23 or higher. Biology 1010 requires a composite ACT score of 21 or higher (PLAN composite can also be used). All students are required to fill out a Disclosure Document and Parent Permission form signed by both the student and the parent. Participation in this program will generate a permanent college transcript through UVU.

➤ What are the fees associated with Distance Learning?
Admission to UVU requires a one-time nonrefundable fee of $35; tuition is a low $5 per credit hour registered each semester. Students participating in Distance Ed may be required to purchase a textbook, supplies, etc., for the class. Last there is a $5 high-school fee per class taken.

Concurrent Enrollment News

Be Prepared to Earn UVU College Credit Next Year

In preparation for the 2014–15 school year, students can begin applying to UVU for Fall 2014 now, as courses are opened for fall registration. A list of Concurrent Enrollment courses is available from Lisa Pulver, in the Timpview media center or on the Timpview website under Counseling-Register, then College Planning.

If you planned to take CE classes next year, paying the one-time UVU nonrefundable admission fee of $35 now will help offset with the low tuition costs next school year and help students continue to earn college credit as they strive to meet their educational goals.

High school students are admitted through the UVU Concurrent Enrollment website at www.uvu.edu/concurrent by clicking the Start Here button. If you have participated in the past and received a UV ID number, this step has been done.

Will you be taking a Concurrent Enrollment class (CE) next year?

If so, take note of the prerequisites for our most popular CE courses: CP English, CE College Algebra/Trig, and AP Biology. Check your grades and ACT scores to see if you meet the requirements, or prepare now to be qualified. Prerequisites are:

**English 1010**
- Be a senior taking Timpview CP English with J. Rock.
- Have a 3.0 GPA in tenth- and eleventh-grade English classes.
- Have an ACT score of 19+ in English and 19+ in Reading.
  - Or have an ACT score of 20+ in English and 18+ in Reading.
  - Or have an ACT score of 18+ in English and 20+ in Reading.
- You may substitute ACT scores with a UVU Accuplacer Reading & Sentence Skills Test.
- English 1010 credit is also satisfied at UVU by passing the (junior year) AP English Language exam with a score of 3, 4, or 5. Students with a passing AP English Language score should register for AP English Literature OR a Live Interactive/Distance Education course of ENG 1010–Intro to Writing and ENG 2010–Intermediate Writing. See Lisa Pulver in the media center to take these courses.

**Math 1050/1060**
- Taking Timpview CE College Algebra/Trig with K. Sweetwood.
- Have a 3.0 GPA in Algebra I, Algebra II, and Geometry, or Secondary Math 1, 2, and 3.
- Have a Math ACT score of 23, or a grade of C or better from a Math 1010 course.
- You may substitute an ACT score with a UVU Accuplacer Assessment Test. Math 1050 requires an Accuplacer score of ≥60 on College Level Math.
- Passing Math 1050 with a C or better allows registration for Math 1060–Trigonometry. UVU course enrollment in Math 1050/1060 totals 7 credit hours in this full-year high school class. Student must complete the full-year class to receive Math 1050 credit.

**Biology 1010**
- Taking Timpview AP Biology with A. Myrup.
- Have a composite ACT score of 21 or have completed English 1010 with a grade of C- or better.
- You may substitute the ACT or English prerequisite with an equivalent PLAN Assessment Test score. A median composite PLAN score of 21 is required.

Accuplacer Testing

Provo High is offering the UVU Accuplacer Assessment exam free of charge on a walk-in basis 2, 3, 4, 5, and 6 June in the Provo High library labs, 8:00 A.M.–1:00 P.M. Requirements to take the exam at Provo High are a UV ID number* and current photo ID.

Please Note: School partnerships allow students to take the Accuplacer test in the Provo School District one time only. Exam repeats or section repeats of the exam must be taken on the UVU campus. A fee of $10 cash will be charged per section. The ACT Residual exam and Accuplacer exam are also offered throughout the summer months on the UVU campus. Visit the UVU Testing Services website for their summer hours and testing information: www.uvu.edu/testing/services.

Who should take the Accuplacer exam?

- Students taking CP English or College Algebra/Trig next year who don’t meet the ACT requirements listed above.
- Next-year sophomore students taking a Concurrent Enrollment (CE) course who want to participate and receive college credit must meet all requirements outlined on the UVU “Sophomore by Exception Application.” Applications can be found on the Timpview website under the Counseling/Registration tab, then College Planning, or online at www.uvu.edu/concurrent under the Parent tab.

How do I get a UV ID number?*

- Become a student of UVU. Log on to the UVU CE website and complete the on-line application: www.uvu.edu/concurrent. The one-time, nonrefundable application fee is $35, payable at the end of the application on the UVU secure website. Click the Start Here button and complete Step One: Become a UVU Student. (ALL students select the “Application Type” Concurrent Enrollment—High Sch.) The application will take 48 hours to process before you will receive your UV ID number via email.
- If you currently participate in CE or have received UVU grades in the past, this step has been done. See Mrs. Pulver in the media center for your UV ID number.
